Recent testimonials have shown that the musclebuilding know-how imparted in the Newest Bodybuilding method to be introduced to the North American market may really contribute towards building a well muscled, proportionate physique. This method, known as MUSCLE FIGHTER IV has received much praise from those who have put it to the test. Gains in increased muscular body weight, loss of flab and the improvement of stamina have been little short of phenomenal. Reports from all over North America testify to the effectiveness of the MUSCLE FIGHTER IV plan.

The plan does not involve hours and hours of daily training and it may be followed in the privacy of your own room. Any man between 15 - 50 who has had a fitness checkup (not just a bill of good health under restful conditions) and who is prepared to tailor the program to his particular physical condition and age may apply.

The MUSCLE FIGHTER IV directors insist that there is no overnight method which can build huge muscles instantly. Gaining muscle size, firming up the body, and increasing strength all takes time and effort - But you as a man who may fit the requirements you may do it!

This company does not claim that you can build a fantastic body in seven days, or seven weeks. This is a three month course! And it will certainly take considerably longer than that to build a fantastic body like Robert Nailon's shown here! He has been training for a number of years.

"Sirs, my improvement has been great - What a course!"  
D.H. FLUSHING, N.Y.

"Dear Sir, I cannot believe the way I feel - This program has really opened my eyes."  
TOM KLEIN, N.J.

"Dear friends, MUSCLE FIGHTER IV did it - I will always be appreciative. Thanks a million."  
RICK THOMPSON, L.A. CA.

"I worked hard and got excellent results more power to your program."  
JFK, NEW ORLEANS

"I gained muscle and body weight - Thank you for making me happier."  
JOHN FARMER, BROOKLYN N.Y.

"Super appearance - Super feeling - What more can I say - I am proud."  
TOM R. TORONTO, ONT.

The MUSCLE FIGHTER IV plan is not recommended for those who are not perfectly fit and healthy, nor is it advised for those who are lazy indolent or lacking in initiative. This wonderful new program involves no special apparatus whatsoever. A FREE book describing how you may get started with this new method will be sent at once. Simply fill in the coupon below! You may NEVER regret it! There is no obligation. Only those interested in physical improvement need apply. Limit one book per family. Send no money!

*Verne Gagne vs. Muhammad Ali? One reader thinks that match would solve the long debate between boxers and wrestlers.*

## PRAISING BRUNO'S PEOPLE

"Your September issue was just as great as your July issue, which was the greatest," David Craig of Philadelphia, Pennsylvania writes. David explained why he was so enthused about the issue.

"I like the stories about Arnold Skoaland, Bruno Sammartino's manager, and Larry Zbyszko, Bruno's sensational protege." David's letter was only one of many expressing delight over the same articles.

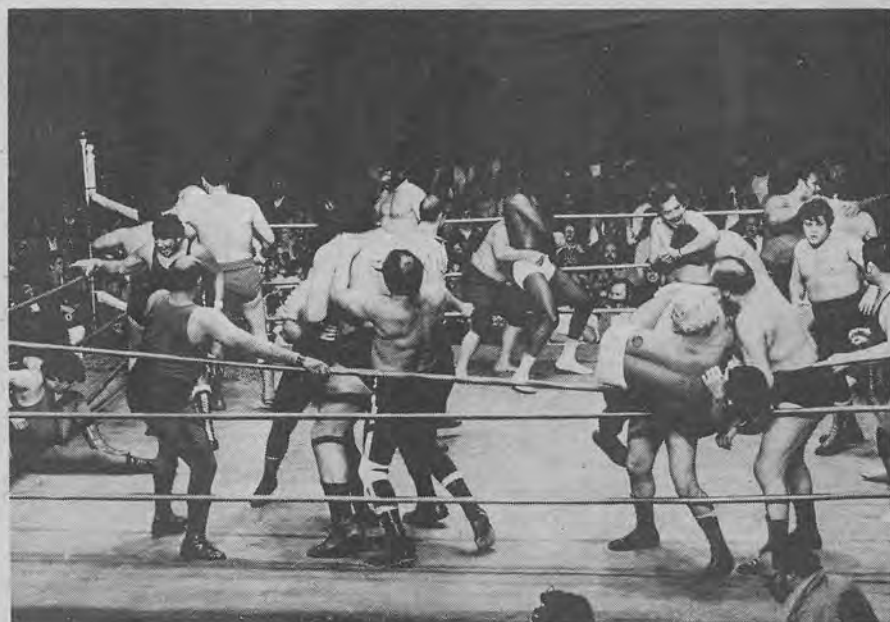

## BATTLE ROYAL FAN

"Your December issue, Ben," writes Bonnie Donno, "was the best magazine I've ever read of any kind. And do you know why?" The reason Bonnie gives is the article on battle royals, which are her favorite type of matches.

"Seeing all those magnificent men in a single ring, smashing wildly around at each other, is the most exciting spectacle in the world. I've traveled more than 300 miles to see a battle royal. As long as you have battle royal articles you have one very faithful reader." There's nothing we like better than very faithful readers, Bonnie, so we're going to do our best to keep you happy.

## TURNING THE TABLES

We were swamped with mail after our December issue appeared on the stands with the story, "The Sheik Is Tortured By His Own Savagery!" Never has any story received such

one-sided comments, all saying how happy they were to see The Sheik get some of his own medicine.

"I hate The Sheik more than anyone else!" declares Nedd Kareiva. "He should be banned from wrestling!" Most everyone agreed with Nedd.

## BEAUTIFUL AND BATTLIN'

"Your story on Sue Green and Paula Kaye, those beautiful blondes," writes Joseph Karta, "was the most delightful story I've ever read. Those two blonde bombshells really turn me

on! Let's have more stories on these two women and their feud. I love them both!"

You're not alone, Joseph, you're not alone.

## ALI VS. GAGNE

Julien Mack suggests, "How about a match between Verne Gagne and Muhammad Ali. That would decide once and for all who is tougher, the boxer or wrestler!"

It's an interesting idea, Julien. How do other fans feel about such a match? Write and tell us. □

HOW YOU CAN USE

# ISOKINETICS

A REALLY NEW BREAKTHRU IN MUSCLE BUILDING!!!!

Scientific Test PROVES Isokinetics  
166% Better Than Weights  
390% Better Than Isometrics  
For Putting Muscle on YOU!

Weight lifting has been the traditional method for training "Mr." contestants and athletes in all sports. But isokinetics has been proven superior to weight training for building your strength, your body, and your explosive power. . . faster and more effectively than ever possible before. Here's why:

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development. (With a barbell you can't change the weight until after the exercise.)

"Sounds great," you say, "So how do I get started, and how much is it going to cost me?"

Until now, the only isokinetic exercisers available were complicated machines costing from \$120 to over \$4000. But NOW! A NEW invention, amazing in its

beautiful simplicity, puts isokinetic muscle building within your reach for only a few dollars.

## Powerex = Isokinetics

The invention is POWEREX! It is a pure isokinetic exerciser designed to give you the ultimate benefits of muscle, strength, and explosive power in a hurry. And, as you know, with these benefits come the added benefits of confidence, virility, and the outgoing personality that enables you to get along well with others of both sexes.

POWEREX is going to do all this for you through the following isokinetic principles:

- 1) POWEREX builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an isometric gadget, but the total dynamic power of isokinetics!
- 2) POWEREX has the exclusive CONTROL GRIPS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle . . . from zero to hundreds of pounds, quickly building your

225# 210# 180# 205# 215#

Changing the weight resistance at any instant during the exercise??? Without stopping to do it??? Yes!...this is the isokinetic principle, which builds your body to athletic proportions faster than any other method! Your POWEREX isokinetic exerciser is shown adding the inches of chest and arm muscle in a "bench press"...but without expensive bench, weight stand, and weights! (Patent Pending)

## RESULTS FAST—HERE'S PROOF!!

Some researchers conducted a scientific experiment and published the results in a leading medical journal. It showed that the average peak strength improvement, after only eight weeks, for each type of exercise was:

|                 |       |
|-----------------|-------|
| Isokinetics     | 47.2% |
| Weight training | 28.6% |
| Isometrics      | 12.1% |

Another group of researchers stated that all published research matching isokinetics with weight training and isometrics showed that isokinetics is greatly superior for muscle building.

■ "I am a weight lifter of eight years. However, after using the Powerex just once, I sold all of my weights!" James Hinson, Jr., NC.

■ "Gained 20 lbs, increased arms 2½ inches, chest 3 inches, reduced waist 2 inches. Look and feel a lot better." Joseph Moreno, CA.

■ "In the short time I have been using

the Powerex, I have put over an inch on my arms, 2 inches on my chest, and gained 21 lbs." Scott Carterette, CA.

■ "You aren't just another rip-off company . . . you back what you say." T. Roeklin, WI.

■ "Before, I was known as a singles hitter. This past season I was a home run hitter and I credit Powerex with this." Alabama.

■ "I reduced my waist 3", increased my arms 1½ inches, chest 2½ inches. Powerex has been the greatest!" D. Owens, MA.

■ "Easy to use, easy to store! Good program, no frustrations or unnecessary holdups as with a weight program." J. Hanna, PA.

■ "After only two weeks, I am dead-lifting 450 lbs, bench pressing 240 lbs, and squatting with 400 lbs. I'm glad that I invested the \$13.95!" Richard Oxer, MT.

body into a classic, powerful machine!

It's almost common knowledge that Jack Brisco and Paul Jones aren't the best of friends, although they once were. So you can imagine how Jack feels now that his brother, Jerry, has been teaming with Jones

PHOTOS BY GENE GORDON

*An unusual sight? You bet it is. Paul and Jerry made a great team and they plan to keep teaming in the future!*

# PAUL JONES AND JERRY BRISCO TAG TEAM

## PARTNERS?

# UNBELIEVABLE!

**I**T IS NO secret that Paul Jones has lost much respect for Jack Brisco since the champion used questionable tactics in their title match. Therefore, fans were shocked to see Paul and Jack's brother, Jerry, paired together in a tag team match.

"No," Jerry stated, "I'm not happy with the statements Paul has made about Jack. I think they're unfair and mistaken. However, they are not exactly fighting words, as the saying goes. I still respect Paul's ability and

Paul still respects mine. He has never said Jack is a bad wrestler. He just disagrees with some of Jack's methods. Despite what he says, he has behaved like a gentleman.

"Actually, I was signed to be Paul's partner before his match against Jack. I'm a professional and honor my commitments. Given the chance, I would probably still sign to wrestle with Paul. Despite his statements, Paul is still considered a friend by Jack. And I think Paul was more disappointed

than angry with Jack. If Paul was in trouble, he knows he could still count on Jack."

Paul Jones, who used to be an infamously dirty wrestler and a bitter enemy of the Briscos, hopes this will not renew hostilities.

"I'm delighted," Paul says, "that Jerry still wishes to be my partner. Though I'm far from happy with Jack, I don't want to renew a feud between us. I hope the Briscos will always be my friends." □

The FORBIDDEN and SECRET training manual of the BLACK DRAGON FIGHTING SOCIETY has never before been available to anyone outside of the Society. Recent attempts for regular publication and public exposure have been rejected as the contents were considered HORRIFYINGLY DANGEROUS and BRUTALLY VICIOUS.

Yes, this is the DEADLIEST and most TERRIFYING fighting art known to man — and WITHOUT EQUAL. Its MAIMING, MUTILATING, DISFIGURING, PARALYZING and CRIPPLING techniques are known by only a few people in the world. An expert at DIM MAK could easily kill many Judo, Karate, Aikido and Gung Fu experts at one time with only finger tip pressure using his murderous POISON HAND WEAPONS. Instructing you step by step thru each move in this manual is none other than COUNT DANTE — THE DEADLIEST MAN WHO EVER LIVED.

#### BLACK DRAGON FIGHTING SOCIETY

The BLACK DRAGON FIGHTING SOCIETY is the WORLD'S DEADLIEST FIGHTING ORGANIZATION which has included in its closed membership the top fighting experts of the DREADED CHINESE TONG SOCIETY — the oriental, and more vicious counterpart of the Mafia. Its members, who are the world's top Masters in the oriental fistic and grappling arts, train in the most SECRET and FORBIDDEN aspects of the DEADLY Chinese fighting arts of GUNG FU, TAI CHI CHUAN, CHUAN-FA, KEMPO, HSING YI, PA-KUA, SHAOLIN BOXING and DIM MAK.

Until recently the forbidden training secrets of the society have been closely guarded by the members who were sworn to secrecy and joined together thru their initiation ceremony of blood. Breaking of the oath to secrecy meant death by torture to the offender.

Now for the first time their FORBIDDEN SECRETS OF TERROR can be shared with you.

#### BREAK A BRICK

Included in the manual is a GUARANTEED method of brick and board breaking enabling anyone to break a brick or board after only minutes of training. THIS IS NO EXAGGERATION. THERE IS NO TRICK OR GIMMICK. There is nothing to be held in the hand, or any hand brace needed; and no special stunt bricks or boards are needed. This is the same method that many famous Karate Masters use.

#### POISON HAND

Considered by many as evil and cruel; the lethally savage ripping, tearing, slashing, clawing and gouging techniques which comprise

the POISON HAND ARSENAL are used to attack (by strike, touch or pressure) the nerve centers, pressure points, major blood vessels and vital organs of the body. You will learn the original 77 "POISON HAND" techniques of ancient China in actual photographs showing them in application. These are not photos of drawings, but actual photos of COUNT DANTE applying these torturing techniques which are meant to maim, disfigure, cripple or kill and have been used by oriental terrorists and assassins to MURDER!

#### OUR \$10,000 GUARANTEE

We cannot guarantee to make you a Fighting Arts Master or even an expert, as this is up to you; but we can make a \$10,000 GUARANTEE that this book is DEADLIER than any other book, manual or course ever printed anywhere, at any cost and that it was, as mentioned before, refused for past publication due to its extremely FEROCIOUS nature. We also guarantee that the "WORLD'S DEADLIEST FIGHTING SECRETS" contains the most SECRET and FORBIDDEN attack and defense methods ever devised by man and that the DIM MAK and POISON HAND techniques are completely authentic and the WORLD'S DEADLIEST FIGHTING FORMS. Last we guarantee that you can break a real, authentic brick or board WITH NO GIMMICK — just your hand, using our method AFTER ONLY MINUTES OF TRAINING. # THE BOSTON KID Wins 2 Out Of Every 3 Football Bets!

**BIG PROFITS** in betting Pro-Football can be **YOURS**, too, if you follow his fool-proof System in.....

## HOW TO BEAT THE BOOKIES AT PRO FOOTBALL

by The Boston Kid — Al Sandler

You don't need **Inside Info**, **Special Skills**, or **Good Luck**... All you need is a few simple figures from your local newspaper, And the Boston Kid's personal **BEAT THE BOOKIES** system!

All the information is in your local paper. Once you know where to look for it, and how to use it, you can quickly master the Boston Kid's system to make betting pro-football your game. If you can add and subtract, you can make the Great American Sport pay off for you in lots of "easy" dollars. This book tells you exactly how!

### Make Your Bookie Wish He Had Never Met You

The **BEAT THE BOOKIES** Method is based on a proven system of determining a definite point-rating for each team, each week. With this accurate and reliable rating, you know what the **TRUE Betting Line** should be. After that, it's easy. Compare your **TRUE Line** with the Bookmaker's Line, and you know exactly how to bet. No guess-work, No hunch bets, No emotional bets, you bet strictly according to which team should win by the point-spread. You bet TO WIN!

### Don't Be Fooled By The Betting Line

All pro-bettors agree that the Bookies Line is NOT the

true rating of the strengths of each team. The Line simply indicates the **public's opinion** of what the point spread should be. Thus, if you can accurately handicap the **TRUE LINE** — like the pro gamblers do — successful and profitable betting is yours. From there on, you're a winner! The Boston Kid gives you his personal winning formula for determining the **exact** point-rating of each team, and how to make needed adjustments on that rating when necessary. It may sound complicated, but you'll be absolutely amazed when you discover how simple it really is.

### There is Much More

This book is not a mere pamphlet; it's a full length volume that thoroughly explains every facet of football betting. It exposes every trick the "wise-guys" use, and how these "Pros" spot an overlay or an underlay in a few seconds. You'll learn when to bet more, when to bet less, and when not to bet. You discover how to pick your spots. There's a built-in Money Management system that practically guarantees you a **net profit of double the amount** of your losing bets. This Money Management System — by itself — is worth more than 50 times the price of the book.

### Positive Proof That The System Works

During the past 5 seasons, The Boston Kid won 2 out of every 3 bets, or \$200 profit for every \$100 loss. But he doesn't expect you to take his word for it; he proves it. In this book, Al Sandler takes you with him on an actual game-by-game, week-by-week journey through the 1973 season in which he tells you which games he bet, how much he bet, which games he did not bet... and he explains the reason for his actions. He shows you exactly how he applied his rules to every game, and remember, **the same rules apply to each and every game**. You'll see for yourself the games he won... and those he lost. This is no Monday Morning quarterback system. You'll understand every move he made and why he made those moves. This season, you can apply the same rules, make the same moves, and be a **BIG WINNER**.

### Additional Betting Facts You Need

Due to space limitations, it's impossible to describe everything this valuable book contains, but here's a small sample of the info that's included:

- Which teams win more games, favorites or underdogs?
- How important are key-player injuries?
- What's the exact point advantage for the Home Team?
- How to recognize an overlay or underlay in seconds.
- What's the truth about Teaser Bets?
- Tips on "rating" your bookie, honest or dishonest.
- Get more for your money with Money Management.
- Preview Team-Ratings for the 1974 Season.
- What to watch for in the Exhibition Season.
- Effect of new game rules on the betting Line.
- All these facts, and many more!

Meet The Author  
Al Sandler  
"The Boston Kid"

Not such a kid anymore, Al Sandler is well-known in betting circles, and highly respected as one of the most analytical bettors of this century. His nickname "The Boston Kid" was hung on him by a bookmaker when he was "betting" his way through college at Boston University, and the name stuck. That was back in 1945, so you can figure out how many years of betting experience he has. Today, he's semi-retired from his lucrative publishing business, but he keeps busy with his "first loves", writing and sports handicapping. The Kid's first book "Gambling For Profit" was financial success for him and for those that bought it. His latest gambling piece appears in the September issue of Gallery Magazine.

# **EDDIE GRAHAM**

**"MY MOST TERRIFYING MOMENT"**

## **"I THOUGHT I'D BE SCARRED FOR LIFE!"**

If Buddy Colt had been successful, my face would have looked like a torn up battlefield. There would be no square inch of skin not horribly disfigured by scars!

I hadn't expected anything less than a savage brawl when I signed to wrestle Colt. I wasn't disappointed. Like everyone else who faces Buddy, I expected to take my lumps. However, going through the rest of my life looking like an uncooked hamburger was certainly more than I bargained for. If the match had lasted a few more seconds, I'd have been known as a hideous monster.

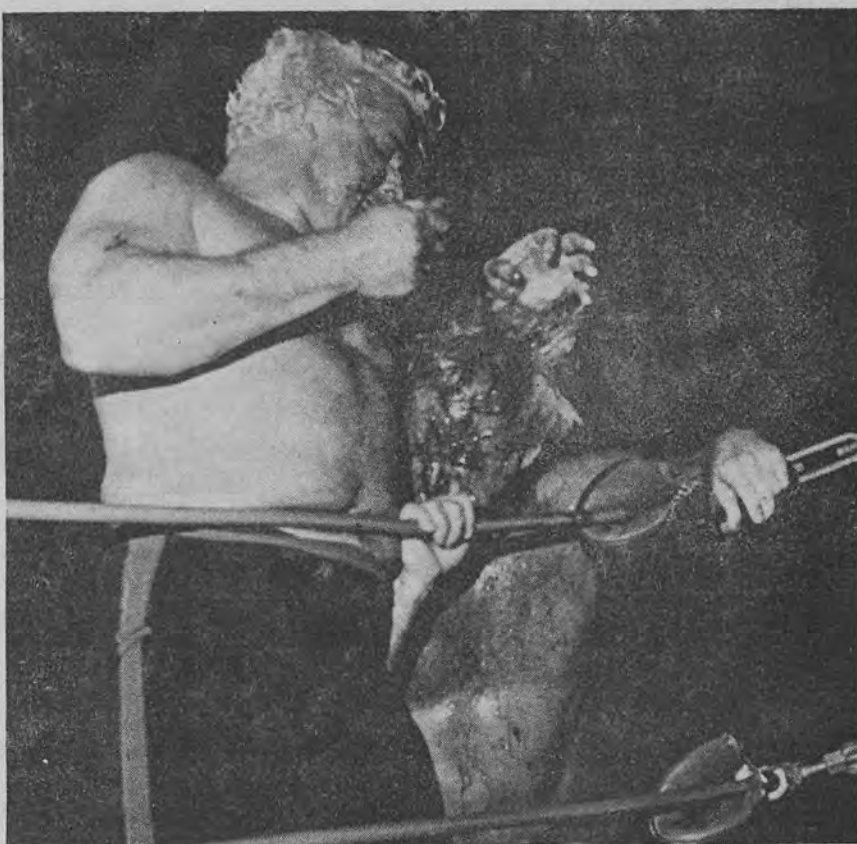

Though the match began tough, Colt was no match for me. I was overwhelming him. Buddy was in trouble and knew it.

I had him in a headlock when I felt a stabbing pain at the base of my skull. My knees buckled and Colt reversed the hold. And then he went to work.

The pain, I quickly found out to my terror, was caused by a hard, sharp, foreign object. Colt continued to use this thing and kept slashing me all over my face. I was in agony but was even more scared. I knew if he kept digging the sharp object into my flesh my face would be reduced to a mask of ugly scars.

Desperately, propelled by fear more than anything else, I managed to squirm free. Then the referee and some officials grabbed Colt. Those guys saved my life.

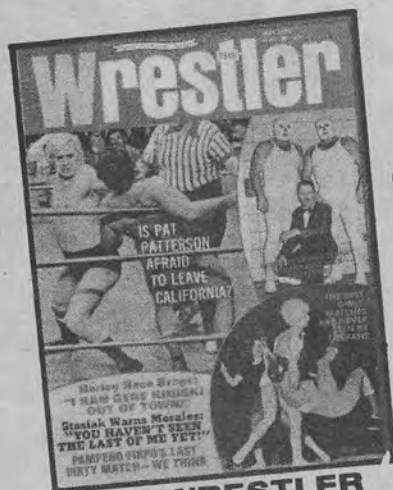

**Chopping Eddie Graham's face to shreds was delighting Buddy Colt. But it was terrifying Graham and everyone watching**

Every time I look into the mirror, I'm grateful my face doesn't make little children cry in fear! □

**F**OR ONE MAN the reason was honor. For another the reason was pride. When they both got together their purpose was the same—to pound the Anderson brothers into oblivion!

Theirs was a partnership forged through hatred and built upon revenge. Their common purpose was to

see the Anderson brothers with cracked and bleeding skulls.

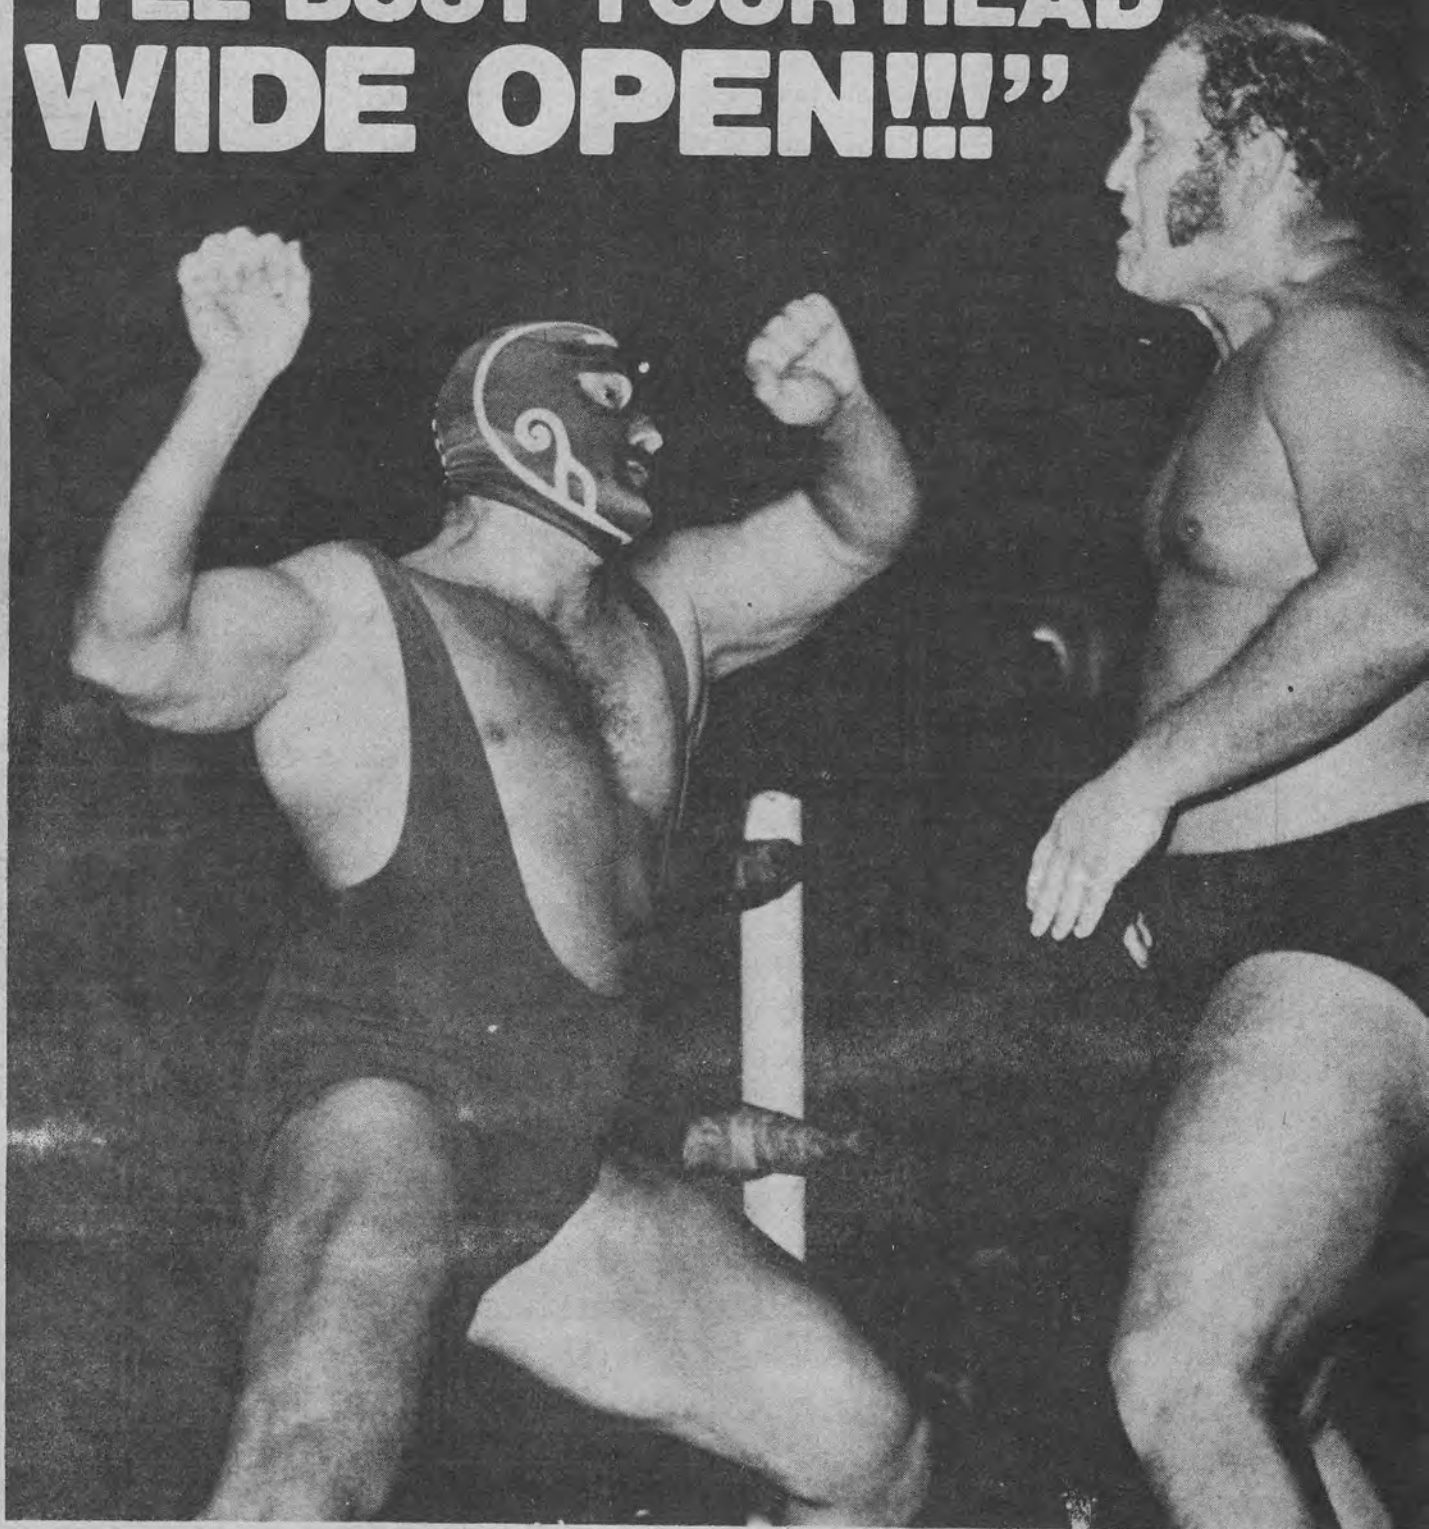

These men weren't friends and perhaps never will be. They were willing to use each other, however, to achieve their desired goal.

The man who entered into this partnership to uphold his honor is Tim "Mr. Wrestling" Woods. He is

determined to uphold wrestling's honor, which he feels Gene and Ole Anderson drag through the mud.

"I can't even let myself enter the same arena they're in," Tim says through clenched teeth, "unless I'm wrestling them. Their tactics would be embarrassingly dirty in a bar. This is a great sport, a sport which gets

# "I'LL BUST YOUR HEAD WIDE OPEN!!!"

its challenge from two men battling under a set of rules. These guys are not wrestlers, they're brawlers. They're the dirtiest kind of brawlers. There's no place in wrestling for them.

"I want to drive them out of wrestling. I'm not particular how I do it, either. I'm not saying this lightly. I fully realize how horrible it is for any

professional to be forced out of work through injury. It's something I've thought about for a long time. But there is no place for the Anderson brothers in organized sport. If the commissions refuse to do their job, I guess it's up to me. Someone's got to protect the sport's dignity."

The man who entered this partnership to avenge his hurt pride is the Pro. He used to be a fast friend of the Andersons. Used to be.

"It was like I was a third member of the family," the Pro says softly, his voice combining anger and sadness, "I've never been so close to two guys in this sport. And I'll never be again, that's for sure!

"What caused the split is nobody's business but mine. Let's just say I was betrayed in a way that's unforgiveable. No man could ignore it. I don't intend to ignore—I intend to avenge it in the most brutal way possible. That's why I called Woods.

"Everyone knows how much Tim hates the Andersons. I told him if he wanted help, I was available. I know how the Andersons wrestle and think. He couldn't have asked for someone better than me. We were a team before the first conversation was 10 minutes old."

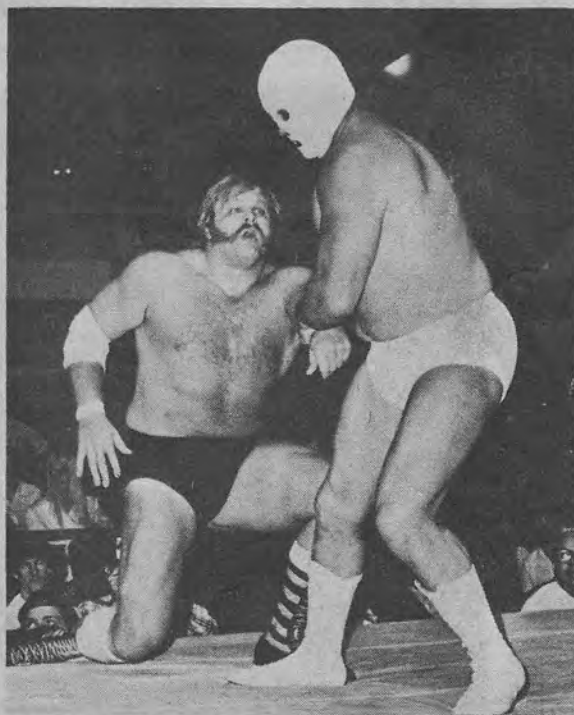

So Woods and the Pro began to train, the Pro teaching Woods every Anderson trick and both men figuring defenses against it. They devoted weeks to the task of perfecting their tactics, always aiming at the total destruction of the Andersons.

Finally, the night arrived when the Andersons stood at one corner and faced the Pro and Tim "Mr. Wrestling" Woods. The brothers sneered, confident no two men could do them any harm. Their opponents' eyes glared through the slits in their masks. No amount of cloth could cover the hatred.

*(Continued on page 62)*

*Opposite Page: The pro is about to let out his fury and smash Gene Anderson's head wide open. Above: He whips Ole. Below: Tim "Mr. Wrestling" Woods gets into action and Ole regrets it.*

**Tim "Mr. Wrestling" Woods and The Pro never did care much for each other. But a mutual hate, the Anderson Brothers, united them in their quest to wipe "The Minnesota Wrecking Crew" off the face of the Earth**

# "I'LL KNOCK YOUR BRAINS OUT IF YOU'VE GOT 'EM"

**W**HILE THEY ARE used to one wrestler insulting another, the television viewers were unprepared for the string of insults Joe Leduc hurled at his not present enemy, Bobby Duncum.

They sat in stunned silence while Joe verbally picked Bobby apart, using language like an ugly weapon. No part of Bobby Duncum escaped the pointed barbs of Leduc.

"And I promise," Joe concluded, "that when I wrestle Bobby Duncum I'll knock his brains out!" Joe smiled before he concluded, "I'll knock his brains out—that is if he has any! And I defy anyone to prove he has!"

With that, Leduc stormed off, smiling at how perfectly he had laid down his challenge. It remained for Duncum to accept the chal-

**Joe Leduc hit below the belt when he got into a name calling contest against Bobby Duncum. It led to a vicious fistic confrontation that almost destroyed Duncum**

*Joe Leduc follows his plan of attack and begins to bash the head of Bobby Duncum. Joe was intent on showing everyone that Bobby was all mouth and could not wrestle. But Duncum showed Joe he's a lot tougher than he ever figured he would be. It was obvious Leduc underestimated Duncum. But he won't next time.*

lenge. In less than 12 hours, Bobby called a press conference to hurl some taunts of his own.

"Joe Leduc shows how compassionate wrestling fans are," Duncum opened, "because as of yet, they haven't laughed him out of the arena. Leduc couldn't beat up a paper bag, even if he had help.

"But when he insults the great Bobby Duncum, the craftiest wres-

tlar in the world, he signs his death warrant. I accept his challenge. His match with me will be his last!"

Joe made no secret of the fact he would go headhunting during the entire match, being satisfied only when Bobby's skull was cracked open. He didn't make it a secret that his fists and forearm smashes would be used often. Nor did he try to hide the training sessions in

which he practiced these maneuvers.

"It's a lot of work," Leduc admitted as the sweat poured down his face during one training session, "but when I see Duncum's head bouncing around the ring, it'll be worth it. I've got my arms like pistons now, able to lash out without stopping for minutes at a time. Duncum is doomed.

"He'll never forget this match or the guy who wrestled him. I want nothing less than to haunt Bobby Duncum for the rest of his life. I want to make him scared, deep down scared. In time, I expect to make him so scared he'll be unable to enter an arena without shaking. He'll remember the pain, the torture, and run back under the rock he came from.

"I want this match," Leduc concluded, "to be the one from which Bobby Duncum can never recover. And I'm going to knock his block off to do it!"

If Bobby was afraid on the night of the match, he didn't show it. He had his usual swagger, his familiar sneer. He reacted to the loud boos of the crowd as usual.

And before the match began, he yelled across to Joe, "Stupid stiff! My head is staying where it is and it's going to be just as pretty as it is now."

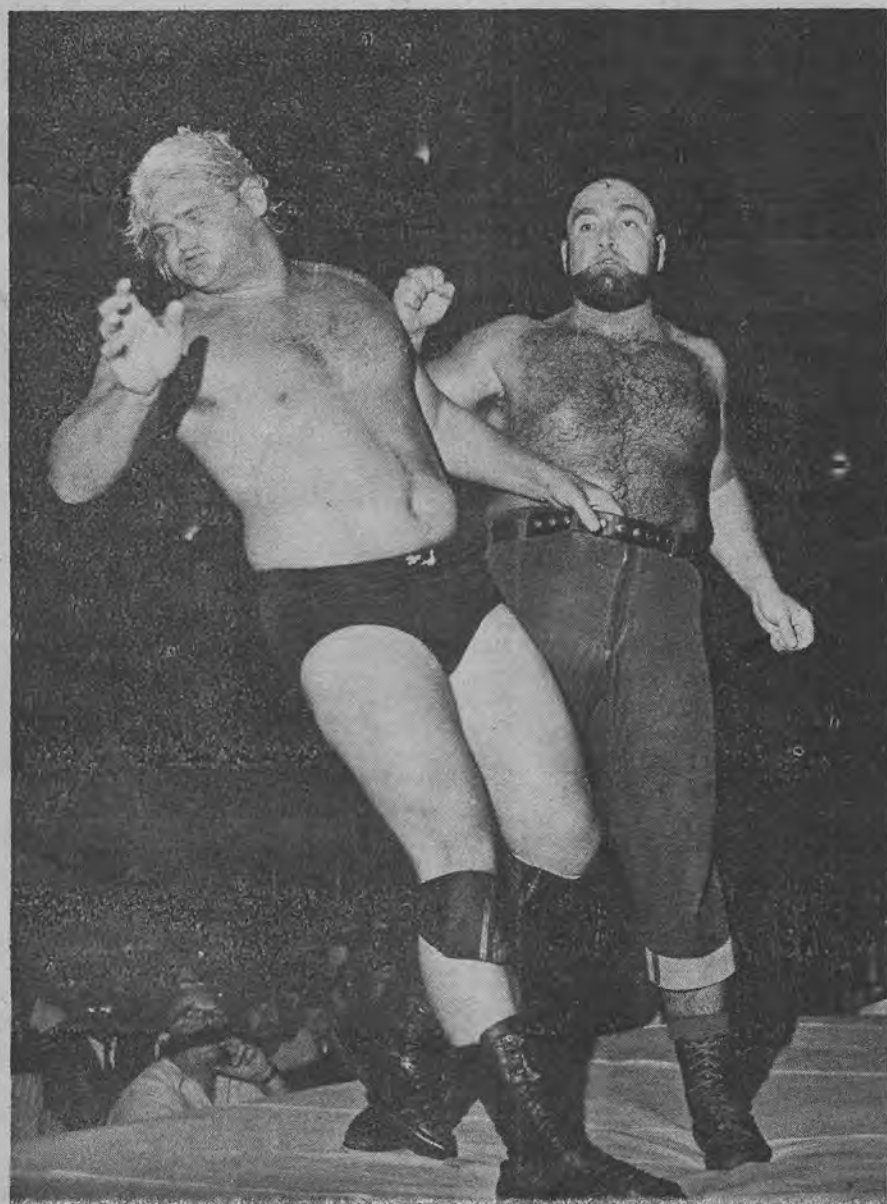

Leduc proved him wrong almost from the opening seconds. His arms were truly two awesomely muscled pistons, churning away with furious speed and power. Bobby's head looked like a speed punching bag, bouncing back and forth. However, Bobby refused to go down!

Joe may hate Duncum, like many other wrestlers, but he also respects courage. And Duncum not giving in and ending his own torture was a display of pure courage.

Finally, Duncum realized LeDuc was overpowering him. During a fistic display between the two, Bobby slugged the referee on purpose (at least it looked that way) and was disqualified. And that didn't satisfy Joe one bit.

"I still hate him!" he says. "But I can't knock that guys brains out. You see, he didn't fall under the beating I gave him. Which leads me to believe the old saying—no brain—no pain!" □

# AINS OUT- T ANY!"

# CRUSHER STEPS ALL OVER HIS OPPONENTS

PHOTOS BY TERRANCE MACHALEK

**D**AGGERS FLEW FROM Crusher's eyes as he saw his two hated enemies, Billy "Superstar" Graham and Baron Von Raschke, climb through the ropes.

He could feel his muscles tense and the blood became hot behind his eyes. He forgot about his partner, Ivan Putski. He would probably have had trouble telling you in which city he was in at the moment. His body and mind were united for a single, all consuming purpose—torturing the two men standing in the opposite corner.

The bell rang and Crusher charged. Baron Von Raschke saw the killer snarl etched on Crusher's lips and told Graham he was to wrestle first.

Graham didn't hear him because Billy had been busy yelling at the Baron to wrestle first. They almost hurt each other trying to get out through the ropes.

"Get out there!" Von Raschke screamed at Graham, as Crusher got perilously close. "Be a man!"

Graham was trying to respond when Crusher dragged the "Superstar" over the ropes—hair first.

Billy hurtled across the mat, being stopped only by the ropes. As he fell to the canvas, Billy was determined to get out of this predicament as soon as possible. He would tag Von Raschke at the first possible moment.

His decision was delayed as Crusher began to stomp brutally on Graham's chest. The air rushing from his lungs mixed with his screams to produce a horrible sound.

Marshaling his strength, Graham managed to roll free and make his way back to the corner where Von Raschke was pretending to look else-

where. Graham didn't tag Von Raschke—he yanked him into the ring and made himself scarce.

As far as Crusher was concerned, it was simply another victim to torture. He lashed into Baron, pounding him mercilessly. Von Raschke wanted out as badly as Graham did but had just as much trouble.

Within seconds, Von Raschke was down and in real trouble. Graham saw his partner being crushed by Crusher's smashing foot and saw Crusher had his back turned toward Graham's corner. Billy figured a sneak attack could level Crusher.

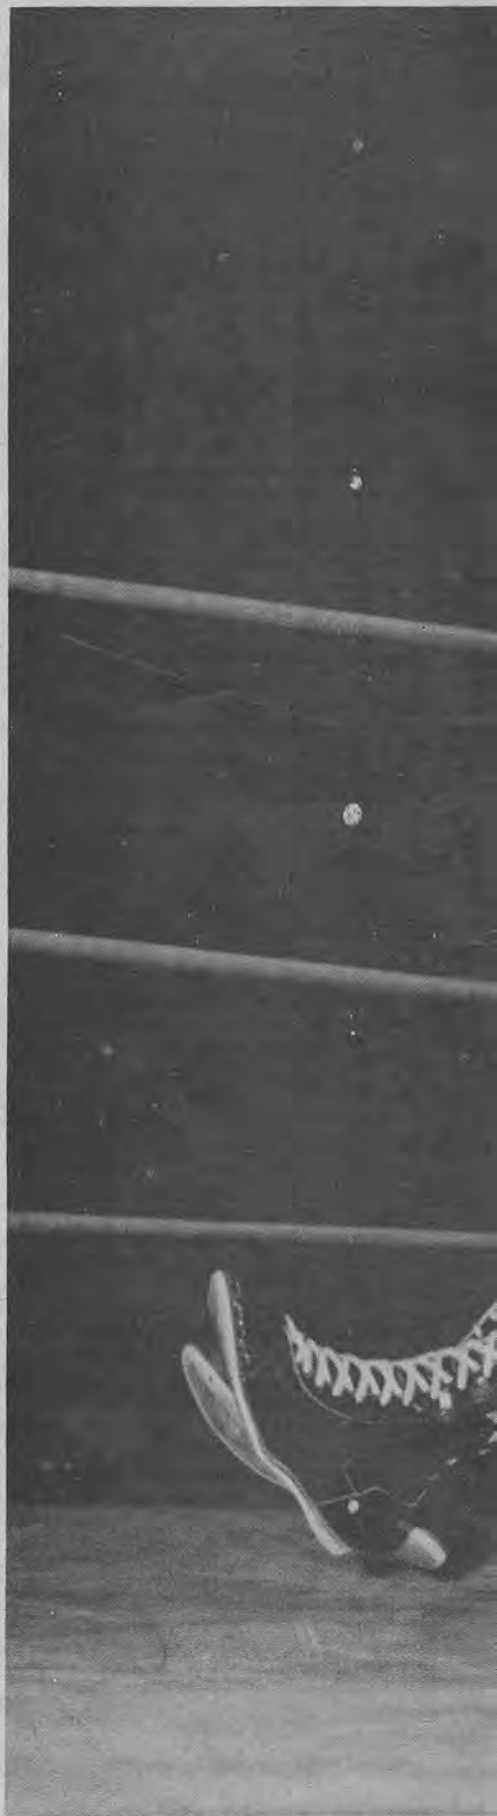

Billy figured very wrong. At the last moment, as Billy approached him, Crusher whirled around and met Graham face to face. Seeing Crusher's hate-filled face was an occurrence Graham hadn't counted upon.

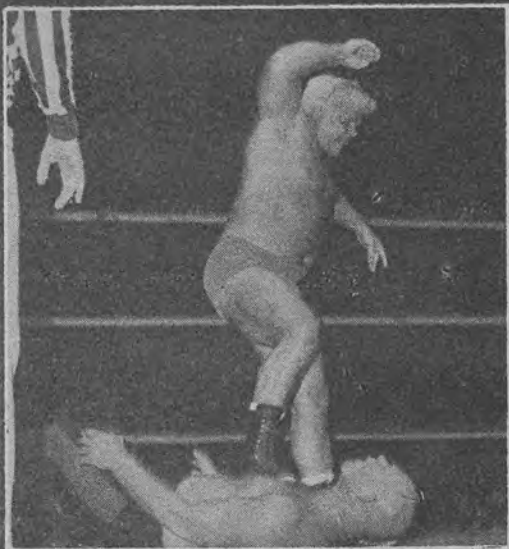

Crusher grabbed Graham as Von Raschke lay on the mat, trying to recover. Von Raschke was almost standing on his rubbery legs when Crusher grabbed him and smashed his head into Graham's. Over and over again.

The two men sank to the canvas. Crusher stood over them for a moment and then felt his hand being raised in victory. The referee had discerned that Graham and Von Raschke wouldn't be wrestling any more this evening.

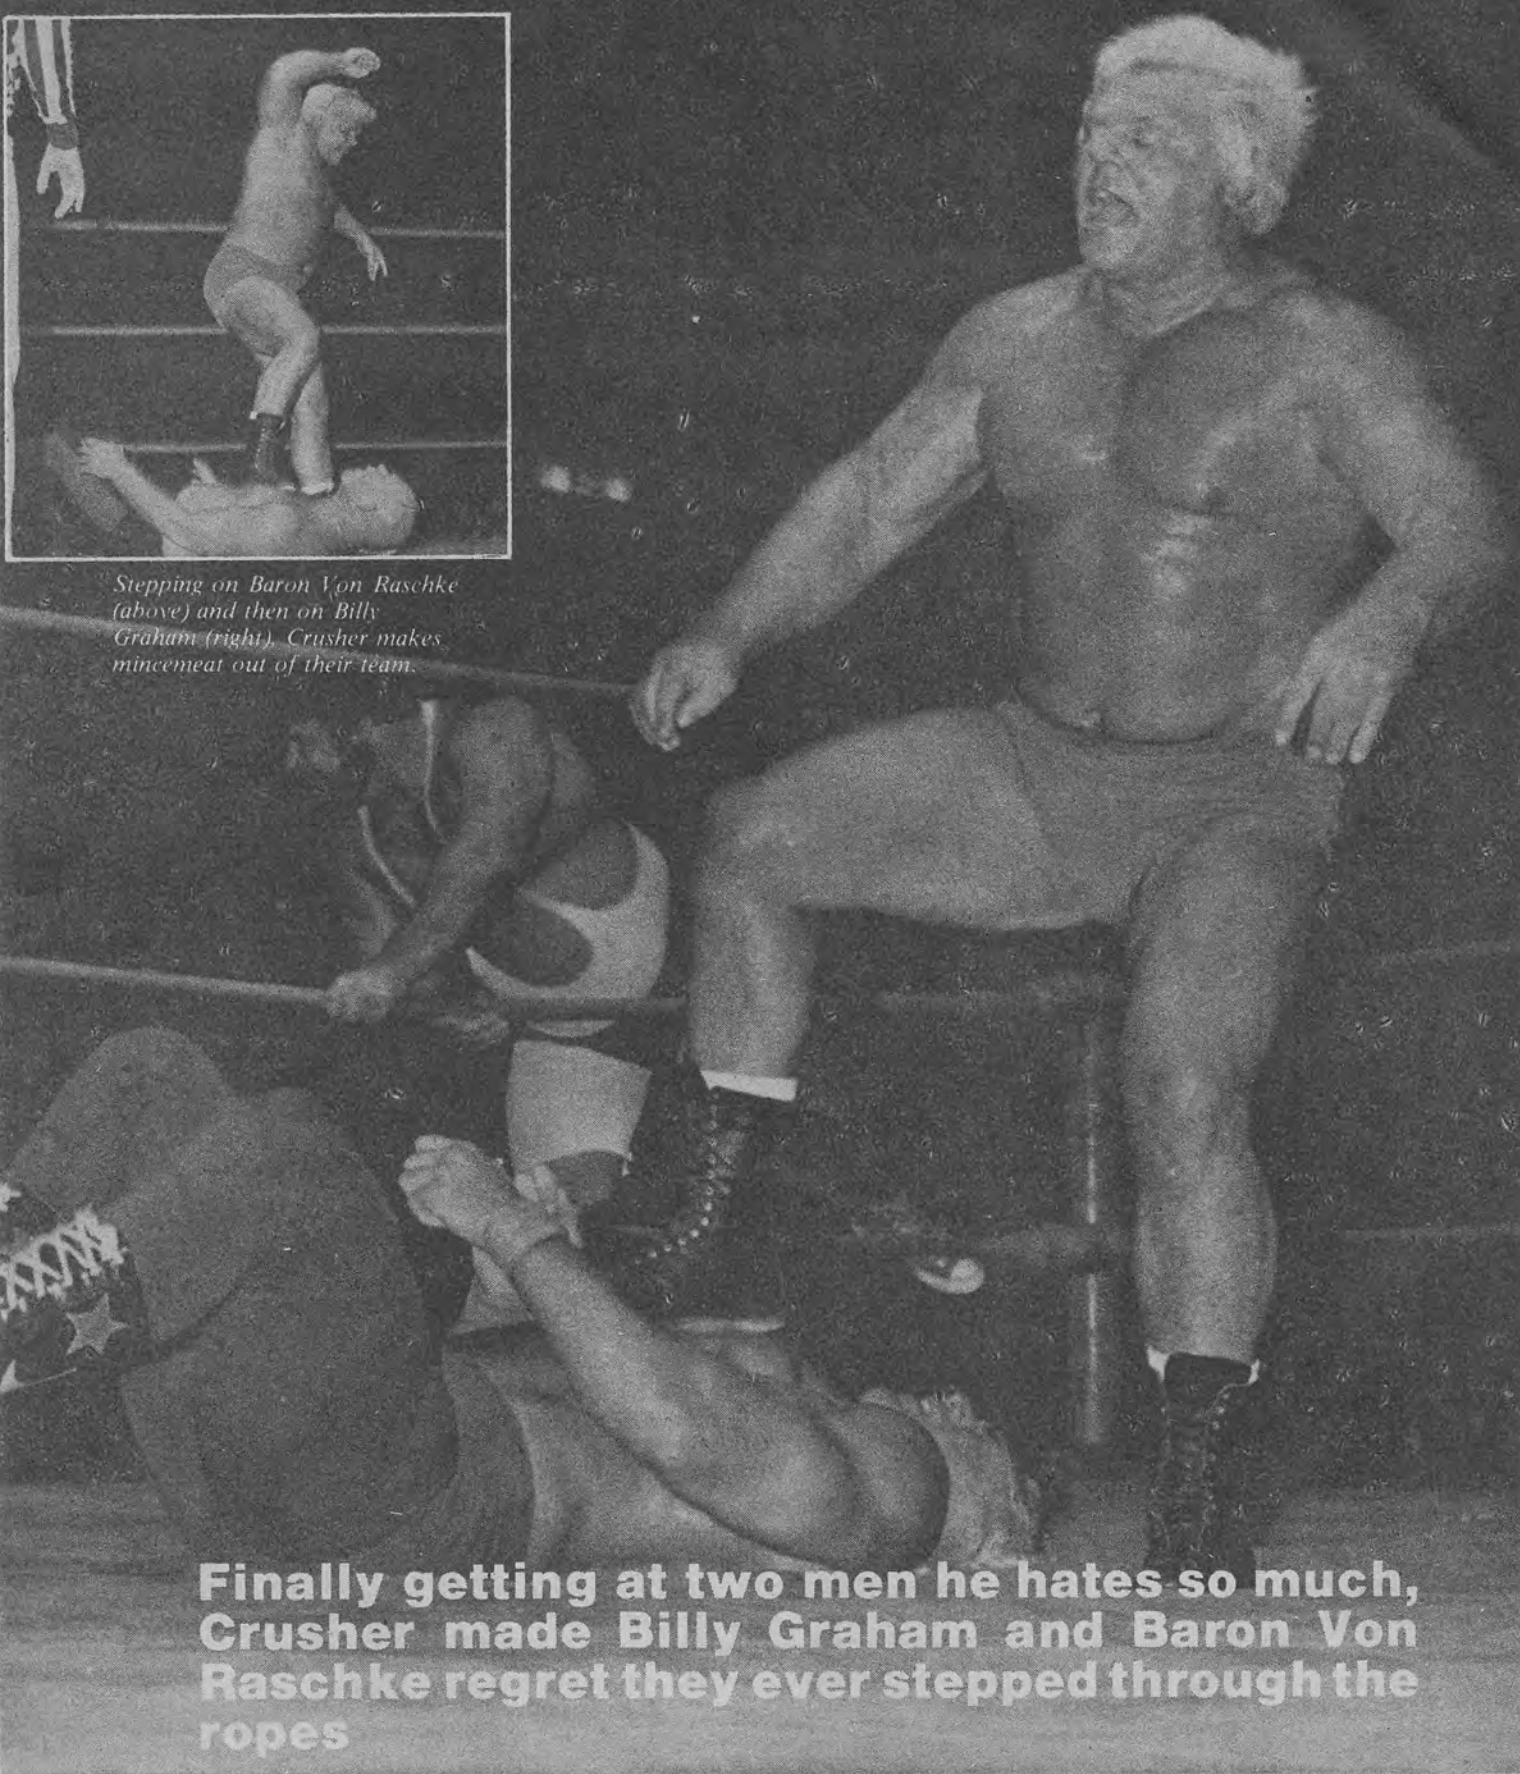

As he was leaving the ring, his partner, Ivan Putski, turned to Crusher and said, "If you think you're getting my half of the purse, you're crazy!" Then he smiled.

Crusher also smiled, and replied, "When you consider all the fun I had, maybe I should let *you* take *all* the money." □

# THE MAN WHO ALMOST KILLED JACK BRISCO!

**H**IS VOICE REVERBERATED throughout the arena as Dick Murdoch promised the fans, "Jack Brisco, no hero to the people of Amarillo, Texas, will never leave this arena alive!"

The crowd cheered as Murdoch

continued. "Everything I have ever learned in my years as a wrestler, including those years when I was known as 'Dirty Dick Murdoch', will be employed in this match. There is nothing I won't do to take the world title belt from Jack Brisco. You

can get used to calling Jack Brisco 'the ex-champ'. Because I will tear Jack Brisco apart! And I'll do it for the people of Texas!"

The fans applauded loudly, not having forgotten the many battles in which Brisco has angered

*Brisco tries to escape Murdoch's deadly clutches (opposite page). It was clear that Dick was the aggressor throughout the match. He bombarded Jack with body slams (right) and other brutal moves.*

Amarillo crowds. His constant feuding with the Funks, the pride of Amarillo, has made the Brisco name more and more disliked as time goes on. So Murdoch's threats sounded very good to the Amarillo crowd.

Jack had heard these threats many times before. Warily, he answered this latest challenge.

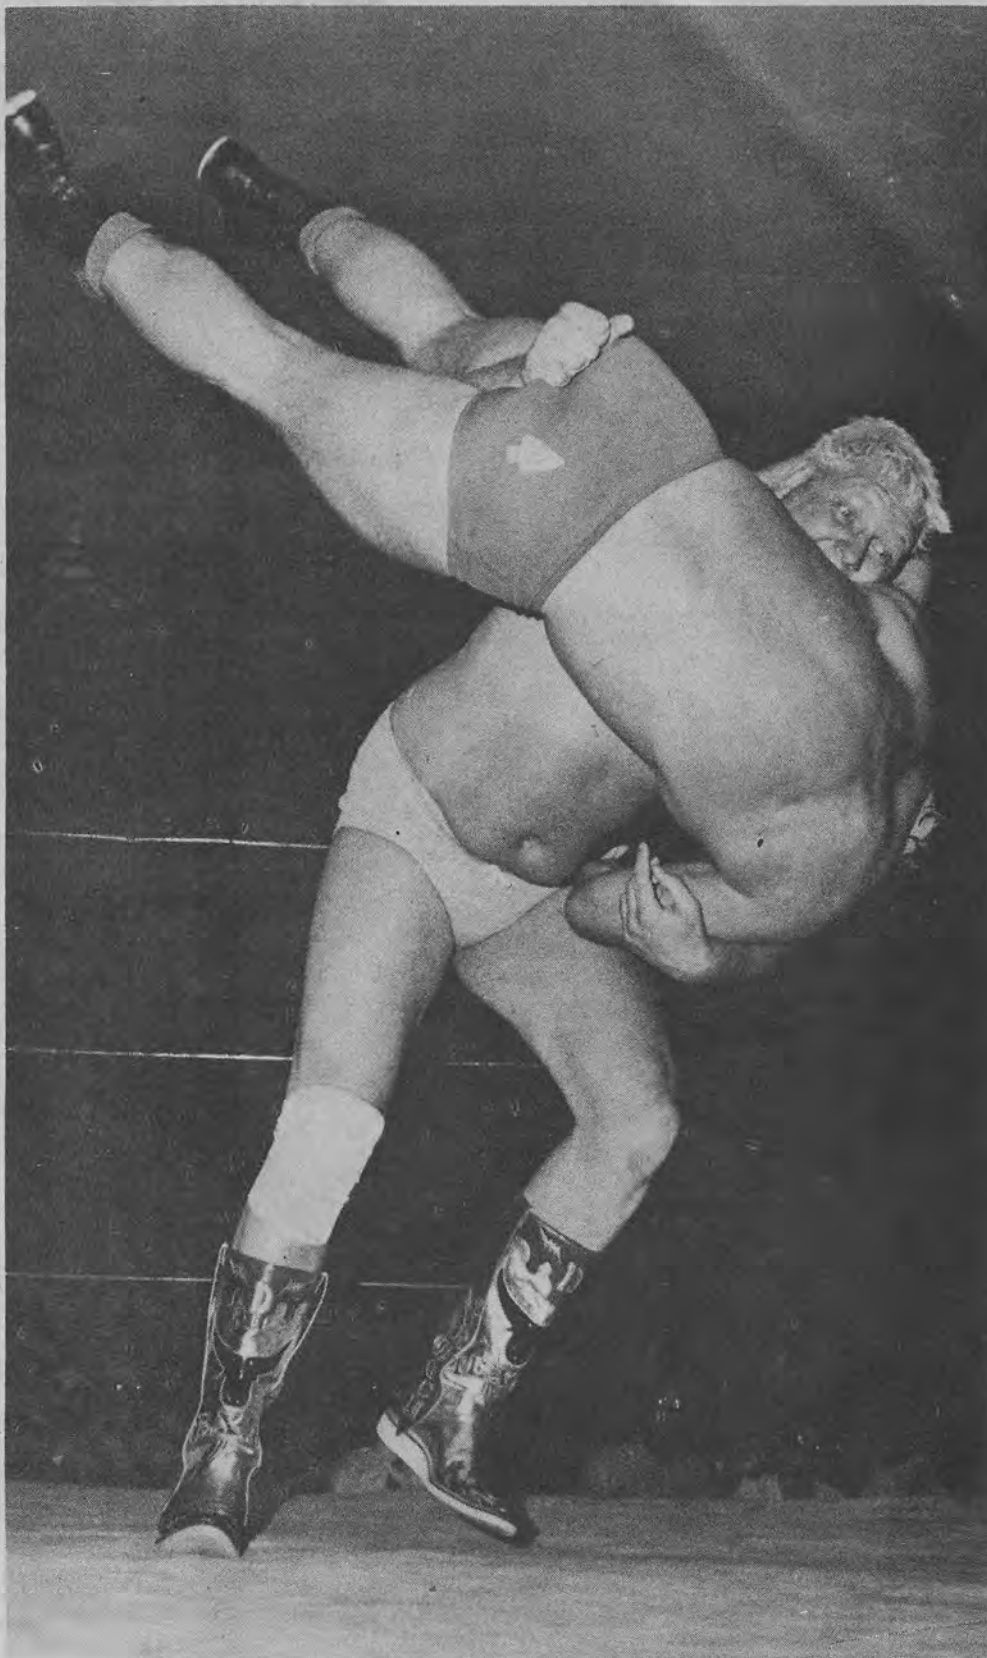

"It shows how badly the people in Amarillo need a hero," Jack contends, "when they applaud Dick Murdoch. The man has made a career of being a dirty wrestler. Perhaps they've given up hope of Dory Funk Jr. ever again being N.W.A. champion, so now they look to Murdoch. Well, I've kept my title against Funk and I'll keep it against Murdoch."

The night of the match was thick with excitement. The crowd generated the special electricity which derives from anticipating a world championship title change. Most were convinced it would be an historic night about which they could someday tell their children.

When Murdoch came out, the crowd roared its approval. Dick's face was set in determination but his body visibly swelled with pride as the crowd's roar grew louder. In that moment, one understood why Dick had decided to become a crowd favorite.

Brisco entered the arena to a mixed reaction. Though many still respected him for his skills, Jack cannot expect to feud with the Funks and be welcomed in Amarillo with open arms.

The match began and Murdoch quickly showed he meant business. Dick tore into Jack, determined to humiliate as well as conquer the champion. Brisco countered by adopting a defensive stance, hoping to stay alive long enough for Mur-

doch to make a mistake.

After more than 20 minutes of absorbing a terrible beating, Jack found his opening. Dick wasn't too sure what happened but he did know he had lost the first fall.

Dick didn't make *any* mistakes in the second fall. He overwhelmed Jack and hurled him to the canvas. Almost before the fans realized it, the match was all tied up. The N.W.A. championship would be settled on the next fall.

Jack wanted his title and wanted out of Amarillo. He tried to get out of the ring but Murdoch wouldn't let him. By this time, the match had become a streetfight!

The beginning of the end came with a cruel suddenness. Jack reared back and smashed a brutal punch into Dick's face. Blood poured from a horrible gash that opened on Murdoch's forehead.

The wound enraged rather than weakened Murdoch. He was unbeatable at that moment and hurled Brisco to the canvas, winning the third fall and the championship—or so he thought.

"Brisco has been disqualified for the punch!" the referee shouted. "Murdoch wins the match but Brisco remains champion. No title can change hands on a disqualification!"

Murdoch stared at the referee for a long, stunned moment. Then the arena was filled with a horrible scream, part anger and part sorrow. Snarling, eyes flashing, Murdoch

hurled himself at the still groggy Brisco and began to beat him brutally.

Even for Texas it was a brutal thrashing. Again and again and again and again, Murdoch rained blows down upon Brisco. Jack couldn't defend himself against the beating. Murdoch was taking his disappointment out on Brisco's body.

Finally, the referee, several wrestlers, and officials managed to tear the crazed Murdoch off his victim. Once free, Brisco scurried to the dressing room.

When they released Dick he stood in shock and disappointment. A lone figure in the ring, he stared in sad disbelief at the door which had swallowed up Jack Brisco and the championship. □

**John Tolos had better think twice the next time he wants to sneak attack Kenji Shibuya. Next time Kenji might not be so gentle**

# **“NEXT TIME I’LL TEAR YOUR ARM OFF!”**

**PHOTOS BY GARY DUBIN**

**H**E SQUATTED ON the canvas clutching John Tolos’ torn shirt in his hands. Kenji Shibuya had no intention of moving until he was assured John Tolos would wrestle him.

Tolos had lost his shirt after an ill-advised sneak attack on Shibuya. Tolos had not attacked alone. He used Mr. California to put the odds overwhelmingly in his favor. Shibuya, however, maneuvered the two men into themselves and beat them senseless. While he was fleeing, Shibuya tore the shirt from Tolos’ back.

Shibuya, clutching the shirt, then sat down on the canvas and announced, “I will not leave here, nor will I wrestle my scheduled opponent, unless the promoter promises me I will wrestle John Tolos within one month.

“John Tolos has insulted me. I will not tolerate his insults. Like a sniveling coward, he got his masked friend to join in attacking me like I was an animal. I am a man and must be treated as such.

“In my hands I have the shirt of John Tolos. All were able to see the wide, yellow streak down his back. I have torn off his shirt. Next time I will tear off his arm!”

The referee and other officials tried to make Shibuya end his sit-down strike but to no avail. Finally, the promoter walked in and assured Shibuya he had the contract for the match being written and it would be ready first thing in the morning.

With dignity, Shibuya slowly arose and thanked the promoter. Then, with a cruel, cold fury, he quickly defeated his opponent.

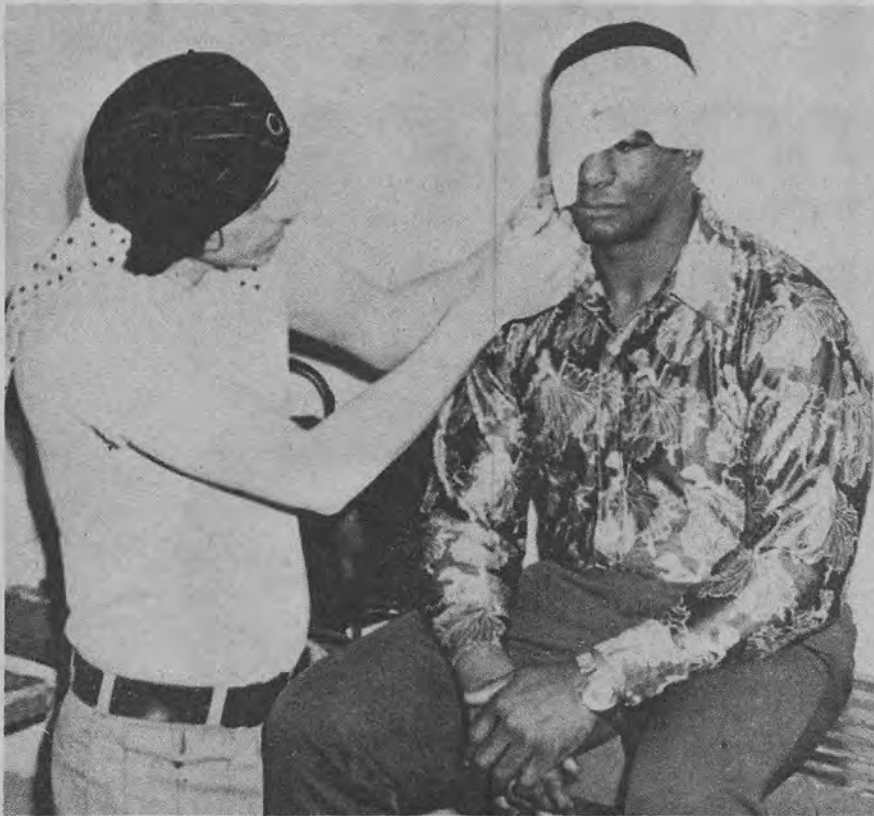

It was a warning to John Tolos. □

**A strange man with healing powers saved one of The Sheik's fire victims. Who is this man? No one knows. Where can someone find him? That, too, is a mystery**

without a turban, speculation is rampant that he is a countryman of The Sheik. The same culture which taught The Sheik to hurl fire must have also developed some antidote, the reasoning goes. Where he gets his ointments is not as important as the knowledge, that they work. And, marvelously, they do work!

The first man to experience the balm of the mystery physician was Edouard Ethifier. Edouard had the flames hurled in his face, as have many before him. He crumpled to the canvas, his hands covering his charred flesh.

Screaming in agony, he had to be taken back to the dressing room on a stretcher. However, Edouard did not have to be taken to the hospital. This is where the turbanned healer came in.

"I will help you," he told Ethifier quietly.

The doctors tried to stop him but were stopped by Edouard.

"I'll try anything!" Ethifier moaned. "Anything to stop this pain!"

Wordlessly, the man put a strange ointment over the burns. Before the shocked doctors' eyes, the skin softened and lost a little of its horrid, charred color. Three hours later,

**T**HE MOST WELCOME news to come along for The Sheik's opponents is that there is a man who claims to be able to heal the

the flesh merely looked like it had been subjected to minor burns.

"This is fantastic!" one attending doctor exclaimed. "It can be used to help burns of all kinds! This is a major medical discovery!"

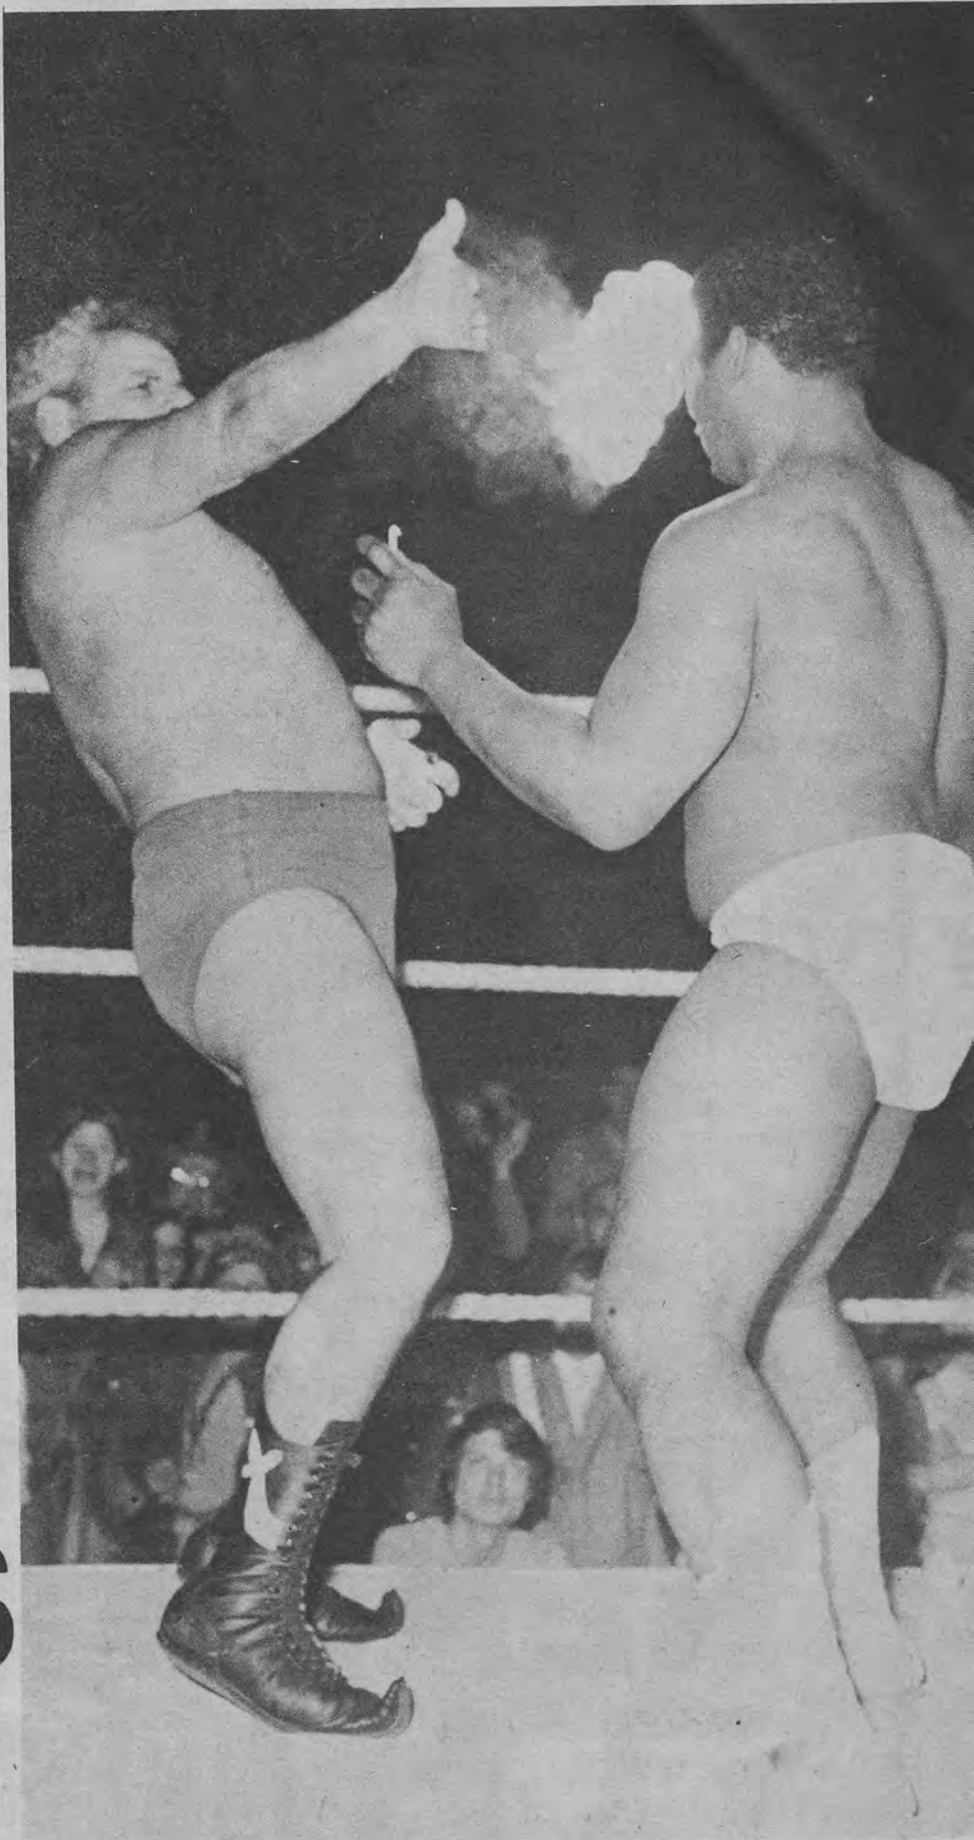

"I am sorry to disappoint you," the healer replied, "but The Sheik's fire is not like other fire. It comes from different sources and has its own special antidote. If you use this ointment on victims of normal fire, it will not help them."

The doctors had many other questions, but the man cut them short by saying, "I am afraid my secret must remain my secret. I will help those I can help. That is all I can or will do."

No one can predict what this man will do in the future. Many hope he will follow The Sheik around, curing those who are tortured by the flames. Others are worried, fearing The Sheik will never let this man live long enough to complete his missions of mercy. Some consider the whole incident a freak occurrence, never to be repeated.

Only the mysterious man with no name has any inkling about what may happen. No one will know the reason, however, if he is never seen again. □

# THOSE RULE- BUSTIN' BLOND TERRORS

**We don't know why, but a large number of animalistic wrestlers sport blond hair. Does this color hair make them more vicious? Read this and find out!**

**M**ANY OF WRESTLING'S most despicable villains are blond. Is it coincidence or is there something about a golden mane that makes a man a raging animal?

On the East Coast, few men match Freddie Blassie for sheer viciousness. The blond battler glories in having his opponents soaked in their own blood. His nickname, "Vampire," is a testament to his ability to tear away skin with his teeth, making the blood flow. On top of his head is golden blond hair.

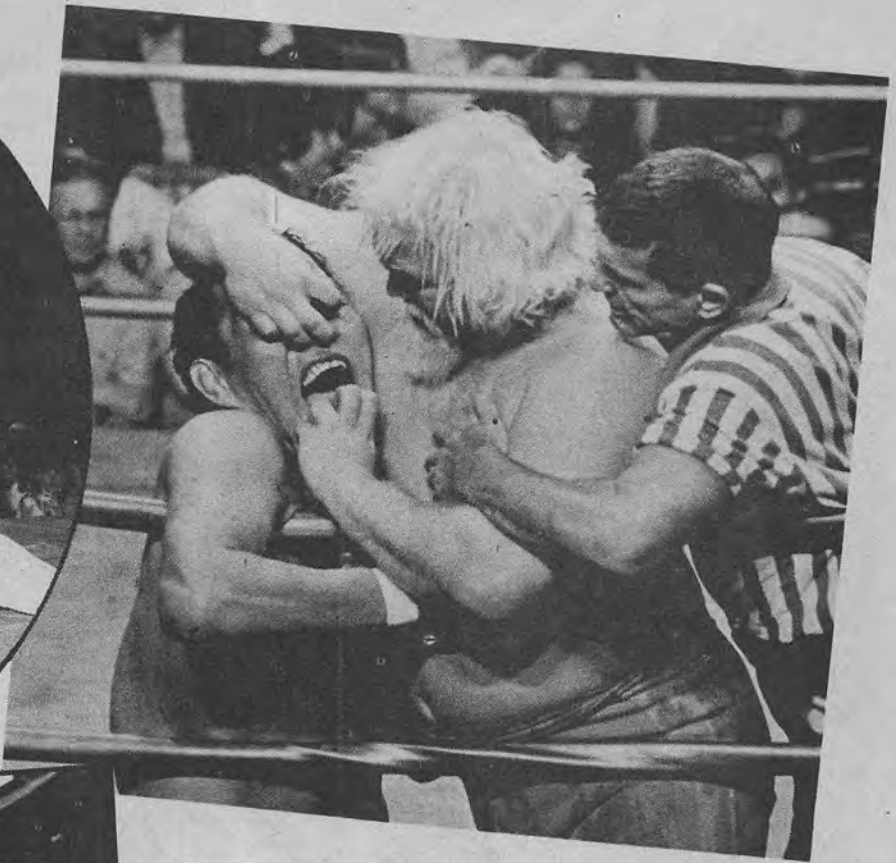

"My hair," Blassie believes, "has nothing to do with the way I wrestle. I happen to have blond hair.

What makes me great comes from inside. Why so many great wrestlers are blond is coincidence."

Yet, the list of blond rule breakers is far too long to be dismissed as coincidence. In a sport where most people have brown and black hair, wrestling has brutal blonds like Blassie, the Valiant Brothers, Bobby Shane, Buddy Colt, Moondog Mayne, Gorgeous George Jr., Billy "Superstar" Graham, Bobby Heenan, the Hollywood Blonds—Jerry Brown and Gary Roberts—"Crazy" Luke Graham, and Tarzan Tyler.

There are only two similarities between these men—a cruel disregard for rules and blond hair! Even

*Gorgeous George Jr. (oval) loves to choke his opponents. Moondog Mayne craves violence (above). Besides managing, Bobby Heenan is a top notch rule buster (left) as is Billy Graham (below).*

popular blond wrestlers like Bruiser Dick Murdoch, and Dusty Rhodes once used outrageously illegal tactics.

Yet blond people in society are no more violent than any others. What makes the above men so outstandingly vicious?

"Blonde hair makes a man seem more majestic," "Handsome" Jim Valiant believes, "and there is no one more majestic than I. But I'd be just as talented bald! And just as majestic!"

Brother "Luscious" John agreed, saying, "We happen to have blond hair like we happen to have blue eyes. It doesn't matter."

Buddy Colt is one of the few who disagrees. He thinks blond wrestlers are driven to their excesses early in their career.

"Guys get turned on," Colt states, "watching a guy with blond hair get bloody. The blood shows up real nicely as it stains the hair.

So we're treated to these sadists' beatings early on. No blond wrestler does anything but defend himself. It's the weirdos who go after him you should wonder about!"

Moondog Mayne can be counted on to say some odd things on any subject, and he doesn't disappoint on the subject of blond wrestlers.

"Blond hair," Mayne says, "is a sign of being blessed by the gods. All the Greek gods were blond and

*The vicious tactics of Bobby Shane (right) make many rule breakers look like scientific wrestlers. And Jim and John Valiant (below) are like 10 blonds. They have the viciousness of a gang and stop at nothing to totally cripple and destroy their helpless opponents. Like many other blond wrestlers, they, too pride themselves on bloodying their opponents.*

blond hair is topped only by my magnificent body. Naturally, my blond hair is important because it makes me even more perfect. And I am perfect."

Billy "Superstar" Graham contends, "People believe blond hair is more attractive because I have blond hair. If I had brown hair, people would think brown hair is more attractive. What I have is what is most attractive."

Jerry Brown and Gary Roberts have incorporated their hair in their tag team name — the Hollywood Blonds. They obviously consider their hair an important facet of at least their appearance.

"We look like lions," Jerry says, "and it scares our opponents. Blond men are more awesome than any other. Men fear us more and women want us more. As the lion is the king of the jungle, we are the kings of wrestling. Our hair is a simple way of letting people know this."

For whatever the reason, the villainous wrestling blonds consider themselves above the rules and regulations which govern others. However, before we use blond hair as the sole reason for a wrestler being a rulebreaker, how do we explain a man like Brute Bernard?

gave their hair only to those they favored. Now to expect me to be bothered about rules made up by some clown in an office when I'm blessed by the gods is pretty silly, isn't it? Blond hair makes me better than anyone else, even other blonds. Don't ask me why—I just know."

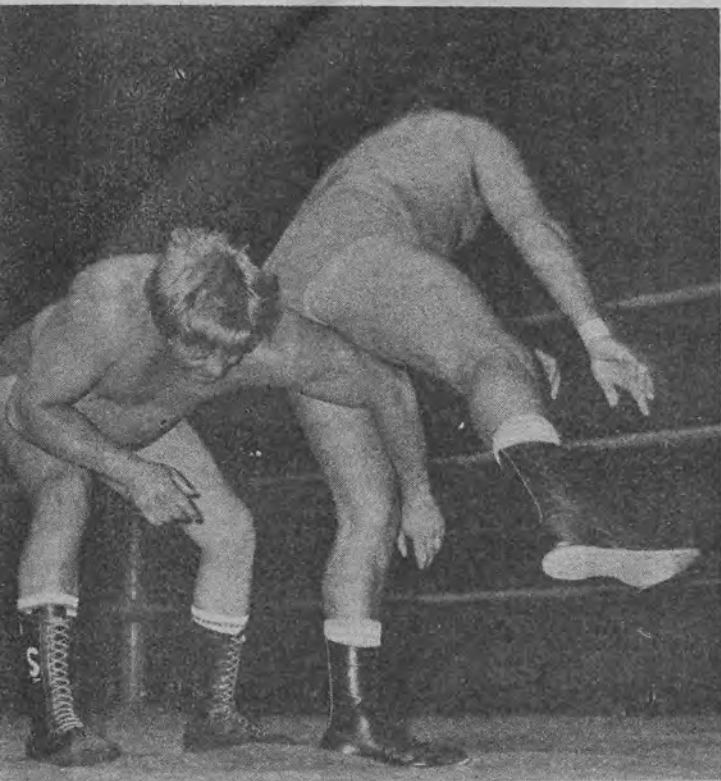

Though Moondog may not know why, he did reveal something similar in all the blond wrestlers. Each

one thinks of himself as special and above the rules meant for average human beings.

No two men believe this to be true more than Bobby Shane and Billy Graham. Each man believes he is special and doesn't even acknowledge the existence of anyone else.

"There is me," Shane states, "and those who don't matter—which is everyone else. My magnificent

told Robinson would be his second. Verne immediately grabbed the phone.

Billy told him, "I want to win the title from Verne Gagne. Despite the way you've treated me, you are a legendary, great wrestler. Defeating you will be a great and remembered feat. I want to be the one to do it. And I don't want the title to be taken from you by some cheap Stevens trick. So I'm protecting myself and the championship's dignity."

Very moved, Verne responded, "I understand and will be proud to have you in my corner."

The night of the match, Stevens sat outside Bockwinkle's corner. The two were very unhappily surprised when Billy Robinson sat down outside Gagne's corner. They

## ROBINSON

exchanged disappointed glances.

"The plan is the same!" Bockwinkle hissed, though Stevens looked as if he would rather be in another seat—in another arena.

The match began and Gagne did his best to end the match quickly. Using his vast knowledge of wrestling maneuvers, Verne soon had Bockwinkle sailing around the ring.

Without any help, Bockwinkle is just as violent (above). Verne tries to break out of a headlock with a new move (below).

Nick was overwhelmed by the magnificent wrestling display.

Bockwinkle struggled back valiantly. Every so often he would shoot a look at Stevens, who rarely took his eyes off Robinson. Nick occasionally shouted out, "Now!", but Stevens vigorously shook his head.

Finally, Verne won the first fall. Between falls, Robinson, dressed in street clothes, decided things

were getting to a head and went back to the dressing room to change into his trunks. When Stevens saw Billy leave, he decided it was now or never.

The bell sounded before Robinson had made it back to the corner. Stevens waited for Bockwinkle to maneuver Gagne into the corner. While Robinson was still changing, Stevens and Bockwinkle began to work Verne over.

It was a short, savage beating. Verne crumpled to the canvas. Nick leaped upon his fallen victim, ready for the pin. Then Bockwinkle felt two vise-like grips clamp down on each shoulder and lift him up.

Bockwinkle looked up at his captor and discovered Robinson. Before Nick could react, Robinson had hurled him across the ring!

Stevens tried to help but Robinson was too much for him. A few seconds with Billy and Ray fled back to the dressing room.

Afterward, Gagne shook Billy's hand and said, "Thank you. You saved my championship."

"No," Billy corrected, "I saved the championship." □

# WRESTLERS AND THEIR SUPERSTITIONS

**M**OST WRESTLERS WILL tell you, like almost everyone else will tell you, it is childish to believe in superstitions. Yet, like almost everyone else, many wrestlers have a superstitious streak and would no more break tradition than go into the match blindfolded.

When discussing superstitions, Johnny Valentine will volunteer, "I won't let anyone whistle in the dressing room for 20 minutes before I'm scheduled to wrestle. It sounds silly even to me, but whistling before a match brings bad luck. I don't know why, but I've never wrestled well if someone whistles shortly before I enter the arena. It's all right once I'm in the arena but not in the dressing room."

Dusty Rhodes has nothing against whistling. He has a different dressing room superstition.

"When getting in my trunks," Dusty admits, "it's always the right leg first, then the left leg. Don't ask me why, but I'm sure I'll be destroyed if I ever got into my trunks left leg first. In fact, I'll take off my trunks and get in right leg first if I forget. Of course, I'll take them off in the dressing room. That's another superstition I have. I'll never take off my trunks in the arena!"

Like Dusty, many wrestlers tried to dismiss the idea of superstitions with a joke. Yet, like Dusty, they first admitted to an actual ritual from which they'll never deviate.

After about five minutes of joking, "Handsome Jim" Valiant admitted,

*You may think he's a little odd, but Pampero Firpo claims he is sane, even though he must have a shrunk head with him at all times. "It is a superstition," he says. "I've always had it."*

"I make paper planes. Then I fly them, trying to get them across the dressing room. I won't wrestle until one of those planes hits the opposite wall. I once held up a match 10 minutes until that paper plane hit the wall. I can usually get it across on the first try but some nights..."

It's not surprising that Pampero (Continued on page 50)

I was bored and lonely until I met JUDY and SUSAN. My friends were out of town. I had nothing to do. I was bored and lonely. Then I saw a LOVE DOLL ad in a magazine. I mailed in the coupon, not really expecting much. But when the package arrived—WOW! That's the night I met JUDY. We danced... I practiced all sorts of new steps... she followed me all the way. My new LOVE DOLL seemed so life-like I really felt I had a new friend. Then I decided to send for SUSAN, too. Wouldn't two be twice as nice as one? Soon SUSAN arrived and the three of us began to play. I danced with one, then the other, then both together! It was wonderful snuggling up to JUDY, but now it was twice as nice with two LOVE DOLLS to share my nights. Judy was made just for love. She's the original, talked-about LOVE DOLL from London. Her soft, "fleshy" vinyl skin seems almost real... both girls seem almost to breathe as they faithfully await your commands. Billy Graham (above) will do anything but answer the telephone on the day of a match. Bald Baron Von Raschke (below left) must brush his head before a match! Dusty Rhodes (below right) says he was left this way because he didn't put his trunks on right!

Firpo has superstitions enough to give at least three to every wrestler alive. However, he is most strict about his shrunken head.

"I wrestle nowhere, and go nowhere," Firpo shouts, "without my shrunken head. Eet goes everywhere wid me. It is part of me. I will keell the fool who even touches it. Eet is responsible for all my good fortune. Who would ever hurt eet will become my second shrunken head."

Baron Von Raschke is reknowned for his ritual before a match. Many wrestlers even laugh at it—but they're very careful to do it behind his back.

"While in the dressing room," Baron says, daring you to laugh, "I run a brush over my bald head. I know I have no hair, and it doesn't matter, but I feel better. I can't feel right unless I run that brush over my scalp. Without doing it, I feel sloppy. And a sloppy appearance means I wrestle sloppily."

After Von Raschke brushes his head and is safely in the arena, the other wrestlers rock with laughter.

Billy "Superstar" Graham, after long prodding, will admit, "I wouldn't really call it a superstition. It's just

John Tolos will not wrestle unless he has heard a tape of Bob Dylan singing "Desolation Row" within a few hours of the match.

"The song makes me want to wrestle," Tolos says, "puts me in the right frame of mind. There are a lot of great people mentioned in the song and I see myself among them. I will

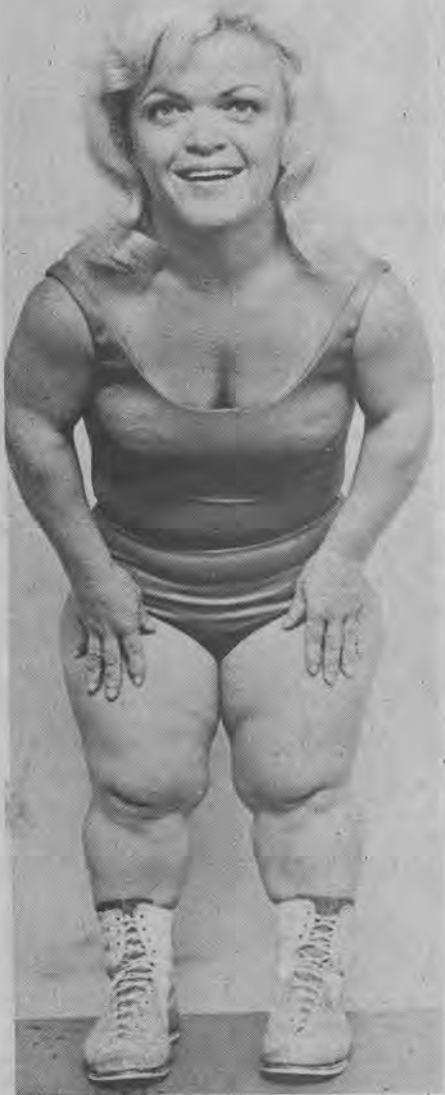

not wrestle without first hearing that song!"

Darlin' Dagmar, the great girl mid-get wrestler, has her own special superstition which is legendary among wrestlers.

"Before each match," Dagmar says, "I sing five poems by great poet Emily Dickinson, using the tune to 'Yellow Rose of Texas.' All of Dickinson's poems can be sung to the tune. I did it once as a joke before a match and won really easily. I've

been afraid to stop ever since."

Dr. Manfred E. Wilson, the famous psychologist whose analyses of wrestlers have won him world recognition, explains the superstition by pointing out, "When you're a wrestler, many of the occurrences which you must confront are beyond your control. The

# 4-3-2-1 BLAST

**H**URLING HIS TOWEL into the dressing room locker, Cowboy Bill Watts screamed, "I'm tired of apologizing! I made a mistake

**Bill Watts sent Brute Bernard on a trip that Brute'll never forget!**

# OFF!

and I'm sorry! I don't want or need to hear any more of your stupid complaints!"

Brute Bernard responded on the same level, "You're in no position to make any requests, buddy. I'm the one with the lump on my head the size of an apple! I'm the one who'll be taking aspirin for the next two weeks! You are the one who couldn't do a simple little maneuver and I wound up almost splitting my skull!"

"It wasn't all my fault, clod! You were the one who left the ropes too soon. By the time I was ready to help you up and let you really give it to Jerry Brisco, I couldn't help but push too hard and make you sail too far."

"NOW IT'S MY FAULT!" Bernard screamed! "YOU ALMOST KILL ME AND NOW IT'S MY FAULT! I'D KILL YOU IF YOU WEREN'T TOO DUMB TO DIE!"

"I didn't say it was all your fault," Watts backtracked, never seeing anyone so hysterical. "I admitted most of it was my fault and I said I was sorry."

But it was too little too late. Bernard rampaged around the dressing room, smashing his fists and feet into what was ever available. Watts cowered in a corner, not wishing to be a target.

Suddenly, Bernard let out an even louder scream than usual. His right fist became red and swollen, not too surprising a reaction after smashing it into a wall.

"That's your fault, too!" Bernard screamed. The argument continued far into the night. □

**T**HE PILEDRIVER, for very sound reasons, has been banned in the N.W.A. areas. Or has it? Officially, the piledriver is an illegal hold. After examining the long list of concussions, broken necks, broken collar bones, and ended careers, the N.W.A. wisely decided the piledriver had no place in professional wrestling. Its banning of the hold was applauded all over the country.

However, in St. Louis, Missouri, the home of the N.W.A., Harley Race employed the piledriver to conquer his opponent, Rufus R. Jones. Fortunately, Rufus suffered no lasting consequences from the maneuver. Unfortunately, Race wasn't disqualified for using the piledriver.

No one seems to know why Race's piledriver received no disqualification. The N.W.A. will probably release a press statement in the future in which it promises to reinforce its stand against the illegal, dangerous maneuver.

Whether or not Race will be punished is still an unanswered question, though most observers feel too much time has elapsed to legally punish Race.

The referee has not made any statement concerning the match.

However, if Race can get away with the piledriver, perhaps others will also try to use it. Then, the injuries which the banning hoped to stop, will again be commonplace. Many careers are now in very real jeopardy.

Hopefully, the new N.W.A. announcement will stop the piledriver once and for all. If not, all hell will break loose. ☐

**N**OT CONTENT TO consider himself the world's greatest wrestler, Bobby Shane now wants to be known as the world's greatest manager.

"Here in Australia," Bobby says, "they already knew I was the greatest athlete in the world. To repay them for their excellent perception, I decided to branch out and excel in other areas. So I decided to become a manager. Within 20 minutes I had become the best manager the sport has ever known. Naturally. To let the Australians see both the world's greatest wrestler and greatest manager may be more than

they deserve, but generosity is just one of my many assets."

Two of the men whose careers Shane guides only in Australia are Brute Bernard and Mr. Australia. Both men exhibit Shane's lack of regard for the rules. Bernard is already notorious for savage tactics in the U.S., but he exceeds himself under Shane's tutelage.

"Yes," Bobby admits, "I'm especially proud of what I've done for Brute. He was a great wrestler before coming under my wing. I've been delighted by the effect of what my refining touch has had upon him. I have harnessed his

"As for Mr. Australia, he has been helped enormously by being in my presence. He is now the greatest masked wrestler who has ever lived. Shane manages only the greatest."

No matter where he goes or what he does, Bobby Shane remains the greatest. Just ask him. □

# NOW!

The Most Amazing Book Ever Published!

# Retire tomorrow.

My name is Mike Warren, and I'm happy to say I don't worry about bills anymore. Oh, I used to grind and sweat and swear, too, when the first of the month rolled around . . . let this go another month, pay a little on that. Payday was "exchange day." In fact, I was so busy working for everybody else that I never had time to work for myself.

For most of us life is a day-to-day struggle . . . a losing effort to get ahead of car payments, mortgage payments, insurance payments . . . payments for groceries, gas, dry cleaning, tuition, clothing. Payments, payments, payments . . . it goes on and on. Where does it end? Like the Red Queen in *Alice In Wonderland*, the faster we go, the behinder we get!

But, as I say, all that is behind me now. These days I spend my time as I like . . . because I've found the secret of success. What secret, you say? Don't laugh, now . . . I make my money betting on the horses!

I can hear you laughing anyway. Well, go ahead, have a chuckle on me. I don't mind . . . I have my money to console me. More money than I ever saw before. Money to buy what I need . . . and fulfill my family's needs. Money to go where I want. Money to do what I like. And—believe it or not—all my money comes from one place: the Thoroughbred race track.

Yes, friend, I can beat the races. I can go to any race track and pick up what I need—a hundred or a thousand—whenver I need it. Of course, I don't go every day . . . I don't press. Why take advantage of a good thing? Some days I'd rather work on my sports car, or play tennis, or take my kids to the zoo, or just loaf around the pool. But I could go to the race track every day if I wanted to . . . and, I suspect, win day after day after day. Not bad for a kid with a high school education, eh? This has been going on for over three years now—every since I quit my old job to start living my life the way I want to.

The other day I paid a visit to my local race track to pick up some spare change. I guess I really saw, for the first time, the looks of anguish and despair on the faces of many in the crowd . . . tearing up losing tickets, cursing their luck, getting ready to go back to jobs they hate. It occurred to me that I might be able to help some of those people . . . as well as many who have never been to the races in their lives and don't know the first thing about horses. Besides, I figure I don't even have to go to the race track anymore. All I have to do is put my secrets on paper and sell them for a profit. I reason that people would have to be crazy not to part with a few dollars if I could show them the road to retirement tomorrow . . . with enough money to do what they want. A vacation, new clothes, a car . . . or just do what I do—spend more time with the family and watch the kids grow.

So here goes. I'm going to let you in on the secret of my success: four little "systems" that work at any Thoroughbred flat track in America, under all types

of weather conditions, year 'round. You can play one race a day or several . . . win, place, or show . . . bet a little or bet a lot. These four ingenious systems should provide you with whatever income you desire and are suited to either conservative or maximum style of play.

I call my four little systems 4 For A Fortune—and I've wrapped them up in an easy-to-read book you can finish in just one evening at home. *4 For A Fortune* tells you everything you need to know to start cashing big at the track. You'll quickly find out why most people beat themselves at the races . . . and why a select few, who use their wits and patience, walk away with the fat money.

Keep in mind that you don't have to know a thing about horse racing in order to reap the rich rewards of these four systems. All you must do is follow some simple rules (strictly!) that will select the eventual winner in most races . . . and put more money in your pockets than you ever dreamed of!

But don't take my word for it. See for yourself. I'll be happy to send you your own copy of *4 For A Fortune*. Just clip and mail the coupon below and enclose \$10. Read *4 For A Fortune* at your leisure . . . then give these four little systems a try. If you aren't well on your way to retirement in just 30 days, let me know . . . I'll return your \$10 immediately, no questions asked.

So if you've ever said to yourself, "... tomorrow . . . next week . . . next year . . . as soon as we get caught up . . ." stop dreaming and act now. Why let another day slip by when you could be living the way you'd like to—the way I do.

You can't afford to wait.  
Do it today.

Sworn statement by Frank Rosenfeld, nationally noted racetrack authority and better known as "Mr. Diz" (for whom, incidentally, the stakes winning horse is named):  
"I have examined this advertisement. On the basis of my personal acquaintance with Mike Warren, whom I have known many years, I certify that every statement made in this advertisement is true. I recommend 4 For A Fortune to one and all without hesitation."

# ISN'T THAT NELSON ROYAL CARRYING HOMER O'DELL'S CANE?

**Nelson Royal using a cane for a weapon? Unheard of! Don't sweat. He took that cane away from General Homer O'Dell — just as Homer was about to use it on him!**

General Homer O'Dell (above) was shocked when Nelson Royal swiped his cane (opposite page).

**A** CANE IS GENERALLY used to help the crippled. In the hands of manager Homer O'Dell a cane is used to cripple. Which is why Nelson Royal took O'Dell's cane away.

O'Dell uses his cane to help his wrestlers, usually by cracking it against their opponents skulls. Rip Hawk, sometimes advised by O'Dell, usually doesn't need any help to cripple opponents.

When Nelson Royal discovered he was to wrestle Hawk with O'Dell at his side, he decided the first thing he would do would be to disarm O'Dell, then devote full attention to Hawk.

"Hawk gets an advantage," Nelson explained, "just by having O'Dell sitting there with that cane. Then you can't devote all your attention to Hawk. Rip can certainly take advantage of the situation. Even if O'Dell doesn't lift that cane off his lap, he's psychologically crippled you!"

So, with cat-like quickness, Nelson grabbed O'Dell's cane before entering the ring. Homer then had an idea of what it's like to see a man threateningly brandish a cane at his head. Seeing what it was like he ran back to the dressing room.

That left only Hawk and Royal. Rip couldn't cope without the constant threat of his advisor hanging over his opponent's head. Hawk began to make a match of it, but found the competition very rough. Without waiting for the official conclusion of the match, he followed Homer back to the dressing room.

Now, hanging in a prominent place in Nelson Royal's trophy room, is Homer O'Dell's cane. ☐

AN ATHLETIC

**CHAMPION BODY**

STRENGTH - ENDURANCE - RESILIENCE

ROTATION-POWER MAKES YOUR MUSCLES GROW

THIS IS THE SOLUTION YOU HAVE BEEN LOOKING FOR:

THE **DYNO-TRAINER** FROM GERMANY  
WITH BUILT-IN FLYWHEEL-ROTOR (UP TO 2800 RPM)

Fully Automatic

For the first time in the history of PHYSICAL FITNESS here is the EXERCISER which will give you **DOUBLE ACTION** PLUS **DOUBLE BENEFITS!**

IN 67 EXCITING DAYS....!

YOUR NEGLECTED MUSCLES ARE IN FOR THE SURPRISE OF YOUR LIFE.

Your blood vessels will widen and will carry more blood. Your joints will enjoy being "greased" again. All inner organs will receive fresh impulses. Your Circulatory System will carry more of the vitally important build-up elements to your muscles. Inactive parts of your lungs will be filled with air. Your chest will widen by 5 - 8 inches. Arms and legs will develop an athletic shape as never before. Flabby fat vanishes inch by inch, including the least desired one on your belly. A new exerciser, the DYN0-TRAINER enables everybody to train sensibly, i.e. it will adapt itself automatically to your condition and to your age.

WE'LL SHOW YOU HOW TO DO IT RIGHT! DON'T GO THE WRONG WAY!

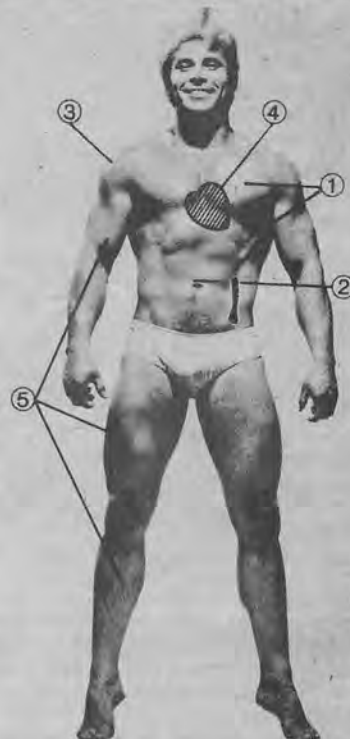

1) a FLAT CHEST won't simply disappear because you are jogging or walking. Only a targeted development of the PECTORALS (chest) and SERRATUS MAGNUS (side chest) muscles will achieve this. The DYN0-TRAINER will do not only this, but simultaneously also add another 1/3 gallon of air-volume to your lungs, which, in turn, will improve your ENDURANCE considerably.

2) an uncomfortable MIDRIFTH won't go away with swimming or doing kneebends. Probably it will be in the way there! But the DYN0-TRAINER will alternately work your stomach muscles hard, it will knead and pummel and massage them, and reach even deep into the digestive tract. No flabby fat can survive such treatment!

3) no DROOPING SHOULDERS or ROUND-BACKS can be corrected by doing the skip-rope or by playing hockey. Only the targeted build-up of the DELTOID (shoulders), the LATISSIMUS DORSI (back) and the TRAPEZIUS (upper back and neck) will give you the much desired V-shape. The DYN0-TRAINER will do just that!

4) many sportsmen may unwittingly abuse their hearts (which is a muscle in itself, as you well know) and circulation. The DYN0-TRAINER with its automatic adaptation to your condition will permit just that much exertion of your power as will be beneficial to your limitations given by age. It is the best way to prevent heart trouble!

# A million jobs have disappeared since 1960 Will Your Job be Next to Go?

**Shouldn't you start your own business NOW  
...while still employed?**

**Before more jobs disappear through mergers, automation, and mechanization, shouldn't you at least investigate the way so many men have become owners of profitable businesses—starting spare time and now are independent of bosses, strikes, layoffs and automation? All that's needed is your name on the coupon. Facts mailed free. No salesman will call.**

**Here are facts:** With some ambition and little over a thousand dollars, you start your own Duraclean business in spare time, without risking your job or paycheck!

It's a nationally advertised, worldwide business. It does not require skill, more than an average education, or traits except the willingness to work to start grossing \$12, \$19, or \$26 profit per hour. By return mail, we will explain how.

You build by adding servicemen and/or servicewomen . . . and we pay for their equipment so you can expand rapidly.

This is a service to homeowners as well as offices and stores and institutions—a sensationally improved method of cleaning carpets and upholstered furniture right on the customer's premises—the **EXCLUSIVE DURACLEAN SYSTEM!**

When you have had your own carpet and furniture cleaned, you know that ordinary methods grind fibers with harsh scrubbing, leaving carpet soggy for days.

This exclusive **ABSORPTION METHOD** lifts out dirt and greasy soil with a gentle, almost dry foam. Do-it-yourself "so-called" cleaning methods and scrubbing drive soil deeper. You **TAKE IT OUT**. Carpets and furniture can be used again in a few hours! This is vital to stores, offices, motels.

You operate under a nationally known name—use an exclusive process recommended by the nation's leading carpet mills and in the editorial pages by House & Garden, McCalls, Parents, and House Beautiful. You receive our step by step guidance and help.

Your training shows you how to perform your 7 superior "on location" services . . . how to get customers, how to control your expenses, how to make the maximum profit. You become an expert in the care of furnishings. It is an interesting, exciting career.

Although in time you will wish to buy one or more trucks from your profits, no truck or office is needed to start. You can carry all equipment in your car trunk. Your phone calls can be received at home.

As a Duraclean Dealer you are the sole owner of an independent business and are your own boss. You keep all the net profits.

This business can pay you far more than most men earn—with only the talent and ambition you now possess, and you can operate in any one of three ways.

Many let servicemen do the work while they make a substantial profit on each.

Some men operate permanently in spare time for the extra money they need. Some start in spare time and quit their jobs only after they see they can make a lot more money as a full time Duraclean Specialist.

Even small one-man businesses with one or two helpers can and do bring in \$30,000 and more annually. A very high percent is clear profit to you.

The Duraclean Business can be as small as you want or it can be expanded to the level your ambition dictates. There is no limit on income for an ambitious man.

We are about to appoint a limited number of men who are truly ambitious, and anxious to do something about their futures. We want men who will follow our proven plans for success and who want—with our help—their own successful businesses.

If this opportunity interests you, please send your name, on the coupon at the right, for a **FREE 24-page booklet** which gives complete details on the Duraclean Business. No salesman will call on you. After you've read the facts, decide in the privacy of your home if you wish to take the next step toward starting a business.

**J.F.A., Texas**

**J.H., Ill.**

"Duraclean brought security and an education for my daughters. We've done as much as \$3000 on a single job."

**Mrs. B.B., Mass.**

"Life is happier and more prosperous for my family and me. Without Duraclean I'd still be going from layoff to layoff. Now moving to new 5-bedroom home."

**R.J.B., Mich.**
